MR. JENSEN, Principal

Countries, states, and cities have kept track of anniversaries since the beginning of time. And so with Hillsboro Union High School . . . this year marks its 30th year of operation.

From a staff of 10 teachers and a student body of 65, our high school has grown until now we boast of more than 1100 students and 46 faculty members.

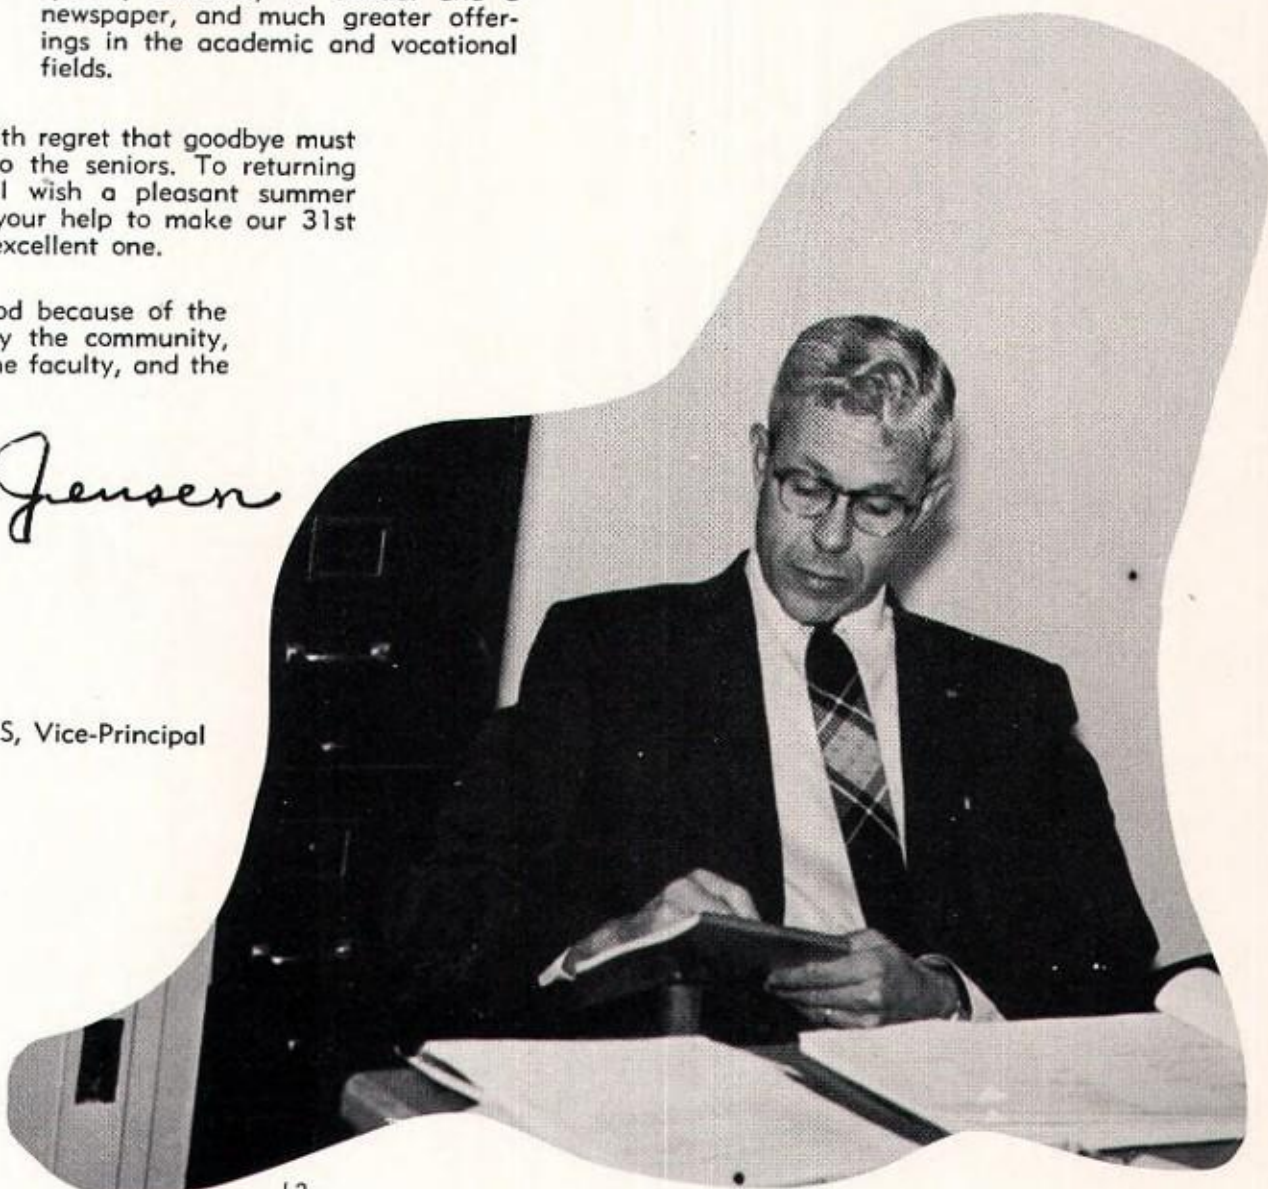

Even though that first school had little to offer beyond the 3 R's, time has brought many additions—music, speech, athletics, an annual and a newspaper, and much greater offerings in the academic and vocational fields.

It is with regret that goodbye must be said to the seniors. To returning students I wish a pleasant summer and ask your help to make our 31st year an excellent one.

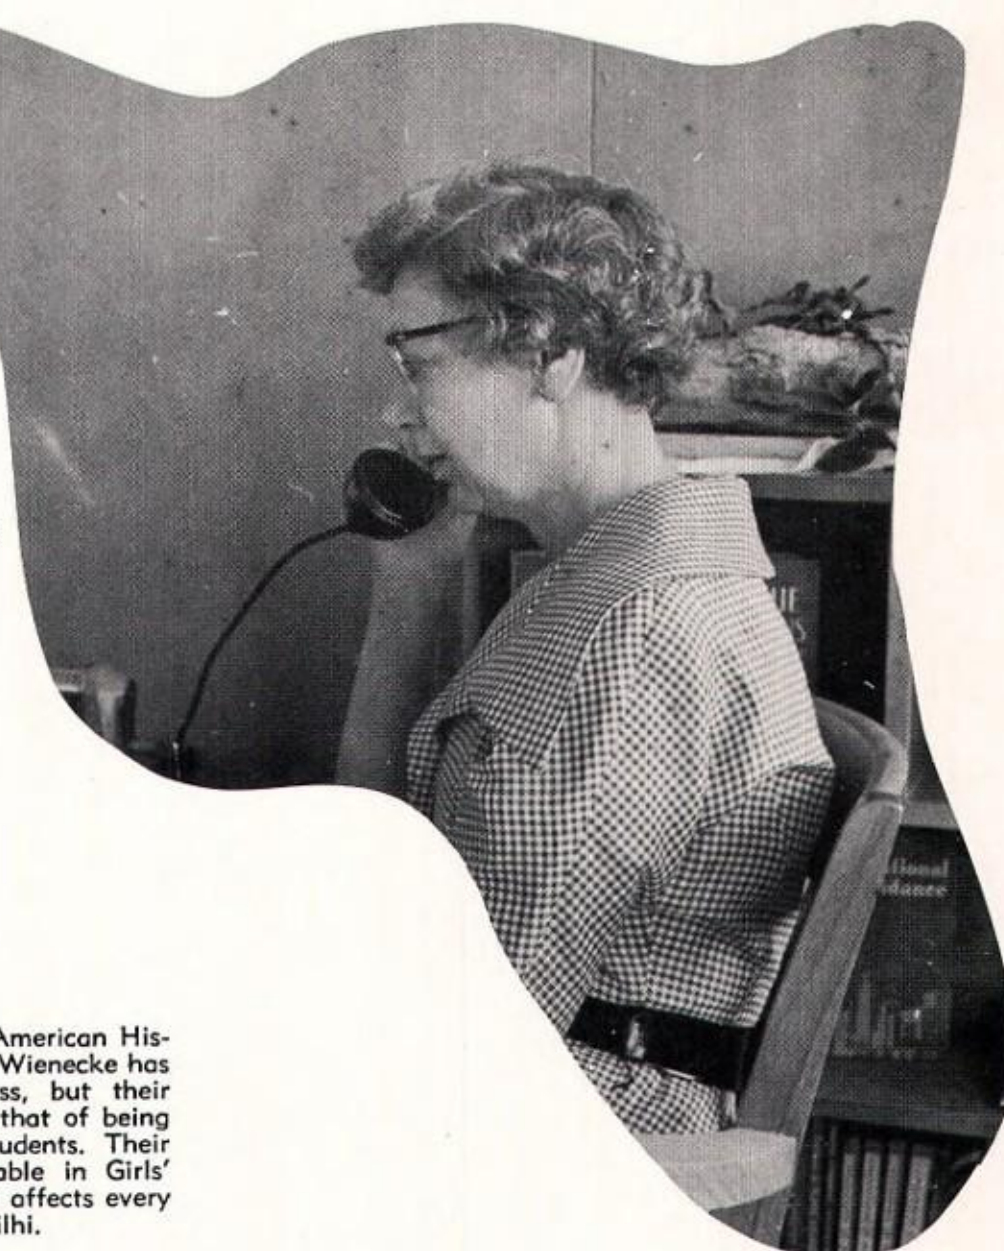

Our school is good because of the efforts put forth by the community, the school board, the faculty, and the students.

John T. Jensen

MR. DAVIS, Vice-Principal

MRS. YOUNG, Dean of Girls

"Got a problem?" Mrs. Young and Mr. Wienecke, our deans, are always on hand to discuss them and find solutions.

Mrs. Young teaches American History and Civics and Mr. Wienecke has the driver training class, but their most important duty is that of being counselors to Hilhi's students. Their counseling is indispensable in Girls' and Boys' League which affects every boy and girl here at Hilhi.

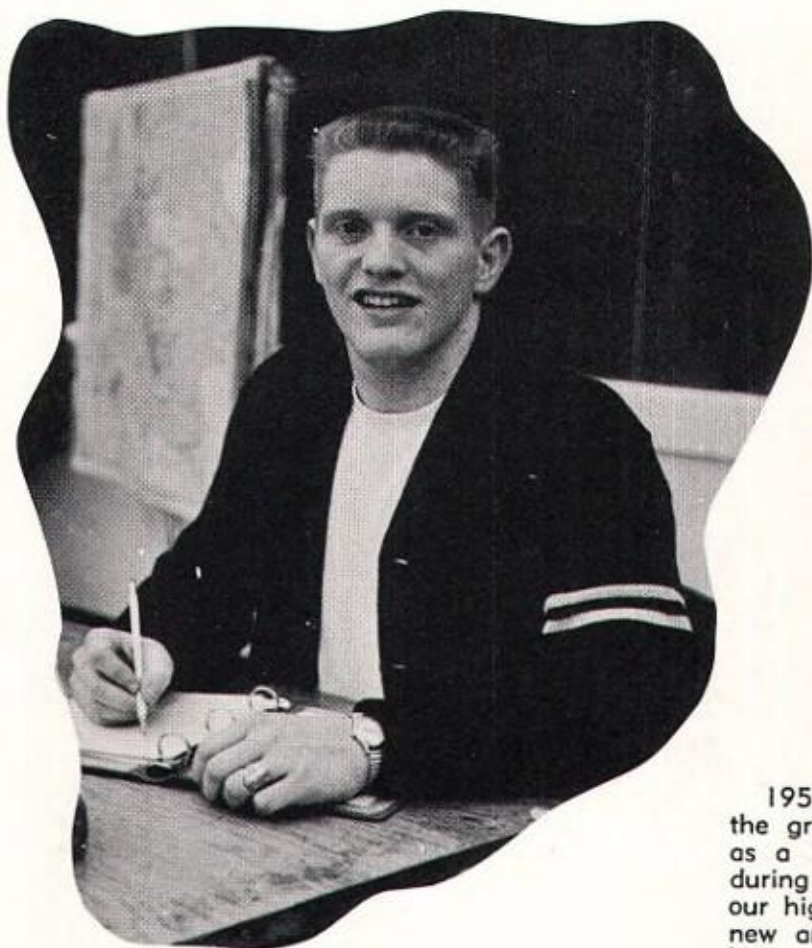

When absent, girls report to Mrs. Young and boys report to Mr. Wienecke, if Mr. Davis is unavailable, to have their excuses signed—excused or unexcused. But this year there's no need for the long line outside the dean's doors. They now occupy new offices, adjoined by a large room which provides ample room for Girls' or Boys' League cabinet meetings.

Another important convenience added in these new offices are telephone extensions which enable the deans to conduct their business right in their offices.

KEITH MITCHELL, Vice-President

1956—This is a year that all of the graduating seniors will recollect as a happy and eventful one. For during this year we bring to a close our high school careers and begin a new and different era of our lives. Yes, during the last four years we have had fun, pleasures, and a few sorrows that will be memories the rest of our lives. Yet what's most important we have been educated not only mentally but also socially, which will aid us in what ever road of life we now undertake.

So to Hillsboro High School we extend our hearty "Thanks" for what you have taught us.

As always,

Roger Turk

Student Council

Representing the student body in all affairs is the student council, Hilhi's student government. This executive group discusses and settles the many problems and ideas put before them for the betterment of our student body. Hilhi's student council has been compared to the state legislature and has been praised for its efficiency in tackling the many problems confronting a student body. This council includes student body officers, class presidents and representatives with Girls' and Boys' League presidents being added to the council this year.

Seniors

When the graduating class of '56 entered the halls of Hilhi as freshmen, they realized that the next four years would be years of hard work, lots of fun, and many exciting activities.

This last year has been a full one. During the months of January and February seniors were all busy observing different colleges, January 16, State College visitation day was held, while on February 9, Independent College visitation day was observed.

The last two months of school were probably the busiest of all, with senior dress-up day April 18, the senior dance May 11, AAUW tea for senior girls, the senior assembly, and the senior breakfast. One of the most important dates of all was graduation May 24.

Special event was the senior assembly October 26 called "T.V.—1955."

Juniors

Junior classes are always looked upon with a split view . . . one eye accounts the past while the other contemplates their future as seniors.

Between sponsoring the junior play and an assembly, they found time to make a name as the "loud mouths" of the school with their numerous winnings of the "pep" flag.

Janet Adams, Patti Crowell, Margie Meihoff, Gretchen Faber, Lew Houck, Gary Holznagel, Rose Meier, John Osmundson, and Marlin Bennett make up the Junior Senate, which was very active in planning the class float for the serpentine as well as the big prom late in March.

It is the school's opinion that they have fulfilled their purpose of making the class one whole body which will co-operate together.

Sophomores

"What will we do for the sophomore assembly? Will we have a class party? If so, when?"

These were just a few of the questions brought up for discussion in the sophomore senate.

This senate, made up of members from the English classes, includes Jerry Guthrie, Cordell Piper, Phil Haley, Jean Reeves, Judy Babich, Gary Younce, Brian Busch, George Swanson, Juanita Dupree, Lynda Zoucha, and sophomore advisors Miss Hildeman and Mr. Davidson.

Linda Lakson, president, says: "The purpose of our class is to take an active part in both curricular and extra-curricular activities at Hilhi."

Despite all the skinned knees, the sophomore class took an active part in the football serpentine, putting up stiff competition for the pep flag. Dana Ralston, active member of the rally squad, was also chosen as the sophomore Miss Merry Christmas candidate.

Freshmen

BILL NELSON
President

The class of '59 came to Hilhi 327 strong—the largest force of newcomers ever to be delivered on the Spartan doorstep.

Even after plunging through those Iowa tests they had plenty of energy left to build a float in the serpentine. Other activities throughout the year included a class assembly, class party, and sponsoring a dance.

A representative from each social science class was elected to the Freshman Senate, along with the class officers and advisors. Elected were Emmett Applebee, Pat Bateham, Winston Bennett, Diane Briot, Tom McDowell, Sharon McKenzie, Jim Regan, Roberta Riggs, Joyce Scrivner, Jackie Sturgis, and Frances Wingfield. This senate kept the busy frosh organized in their activities.

DAVID MacLEOD

This has been quite a year for the baby Sparts; judging from their pep and energy their next three years will be on the ball and loaded with fun.

Crafts

Agriculture

Woodworking

Jigsaw? Buffing wheel? Ring clamp? These tools are typical of those used in the newly formed craft classes. The boys make their projects from plastics, leather and metals. Displays in the halls have shown the handsome billfolds, belts, purses, holsters, and keycases made in the leather working classes.

\$24,320! Can that be? Yes. Are you sure? Yes, the 75 boys in the four agriculture classes have that much invested in livestock and crops! Boys have to own and work on home projects to be a member of the agriculture class. These projects can be livestock or crops. "Do work on" means in livestock to record feed consumed; on crops the student must do all the cultivating, planting, and harvesting.

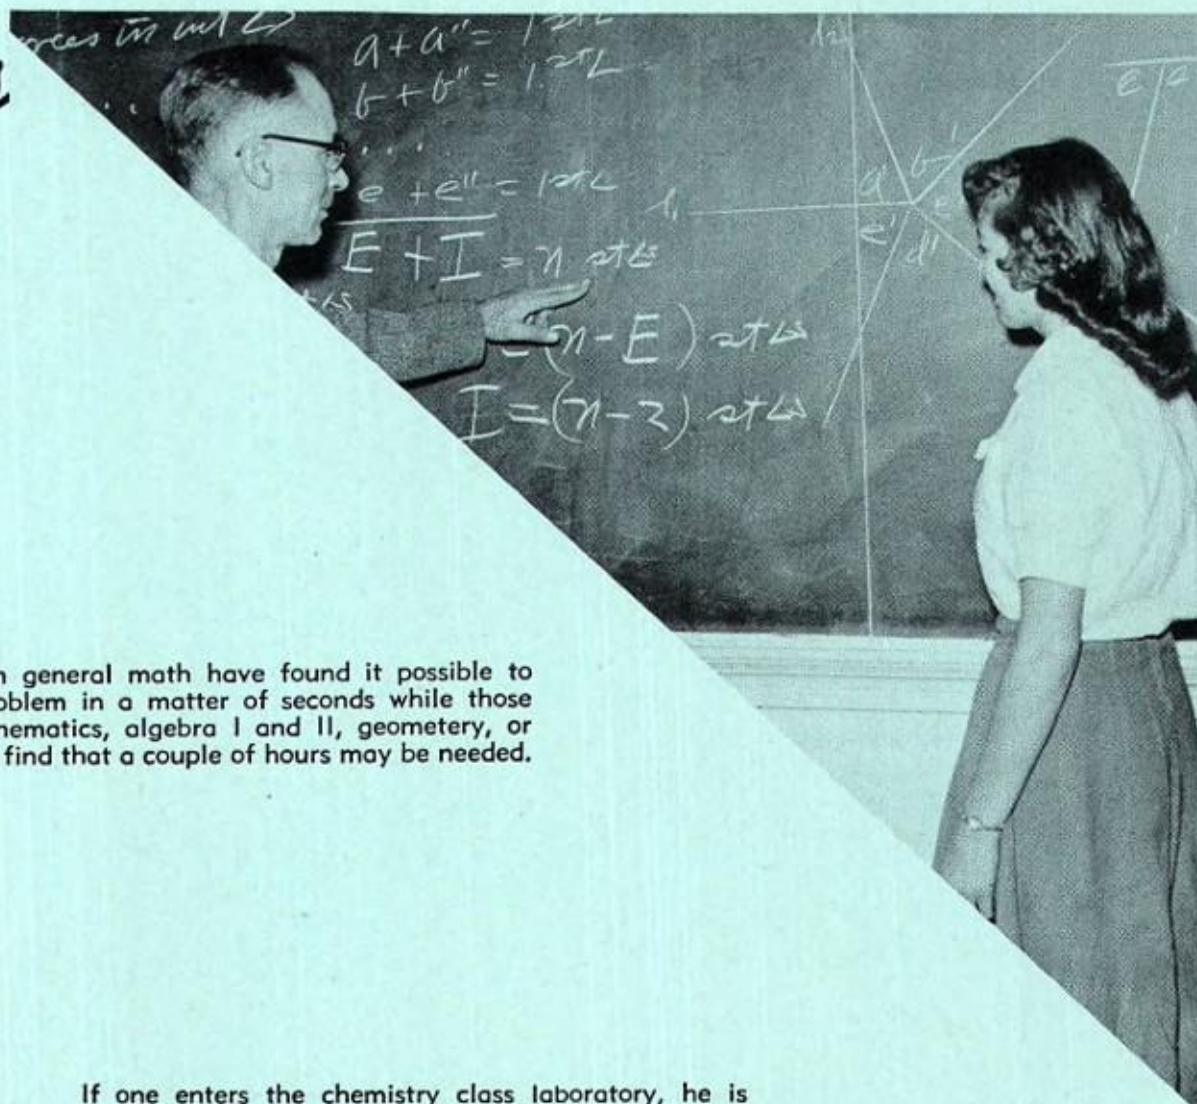

From a rough piece of birch, maple, or cedar the boys in Mr. Ruud's woodworking classes can construct any number of useful pieces of furniture. They make such handsome projects as coffee tables, end tables, desks, and cedar chests. Besides making all this useful furniture they're very useful when something new in furniture is needed here at school.

Mathematics

Chemistry

Biology

Students in general math have found it possible to complete a problem in a matter of seconds while those in higher mathematics, algebra I and II, geometry, or trigonometry, find that a couple of hours may be needed.

If one enters the chemistry class laboratory, he is welcomed by a strange sight. People in black aprons are moving about, looking at test tubes of bubbling and seething liquids. Chemistry helps students to observe not only the things they buy and use, but it also helps them to form the habit of appreciation of the many things with which they come in contact each day.

"Biology—that's where you dissect frogs and worms!" Nothing could be more true. Biology, taken by all sophomores, is the science of living things. Spirogyra, hydodictyon, protoplasm, oxidation, and photosynthesis are all common words any biology student learns during the year.

Girls' Home Ec

Driver Training

Boys' Home Ec

The pleasing scent coming from the home economics room is enough to convince any hungry student that third period is just the time to take cooking.

Girls were taught many ways of preparing basic foods, while the second and third year classes prepared more advanced dishes. During their semester of sewing the beginners used cotton, while the advanced classes sewed wool clothes.

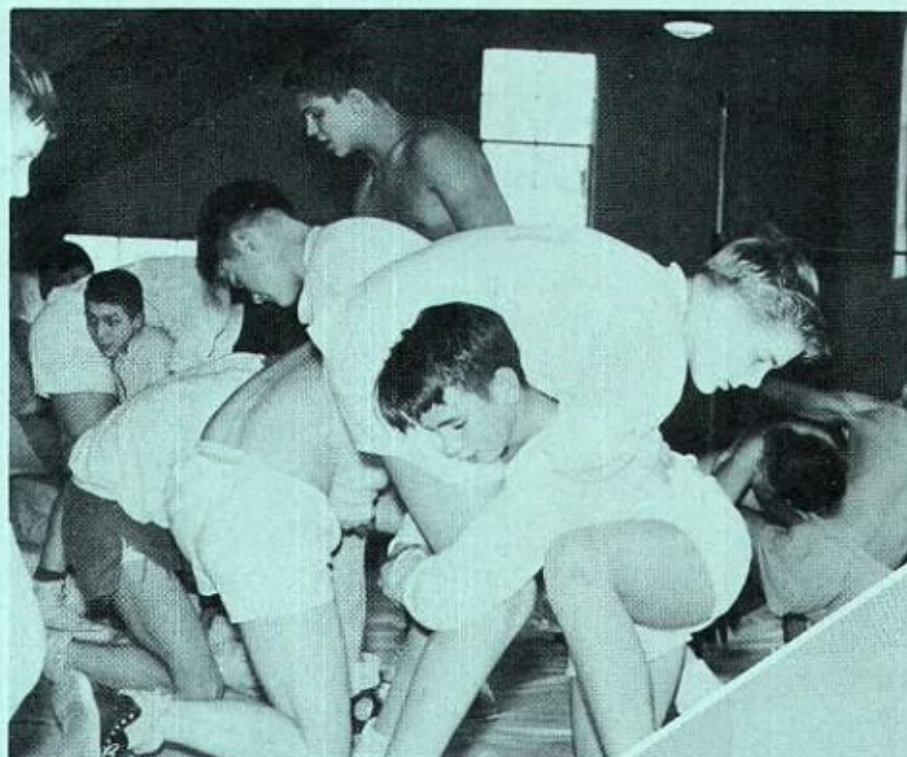

Mr. Wienecke, driver-training teacher this year, has classes five periods each day. This course is given to promote safer driving with fewer accidents on the highway. A special car with dual controls is loaned to the school each year by one of Hillsboro's automobile establishments. This year it was a Chevrolet, loaned by Hamby Motor company.

The boys are only allowed one-half semester of cooking and one-half semester of sewing. They made cotton shirts and learned many ways of preparing everything from muffins to a fruit salad.

Boys' P E

Health

Girls' P E

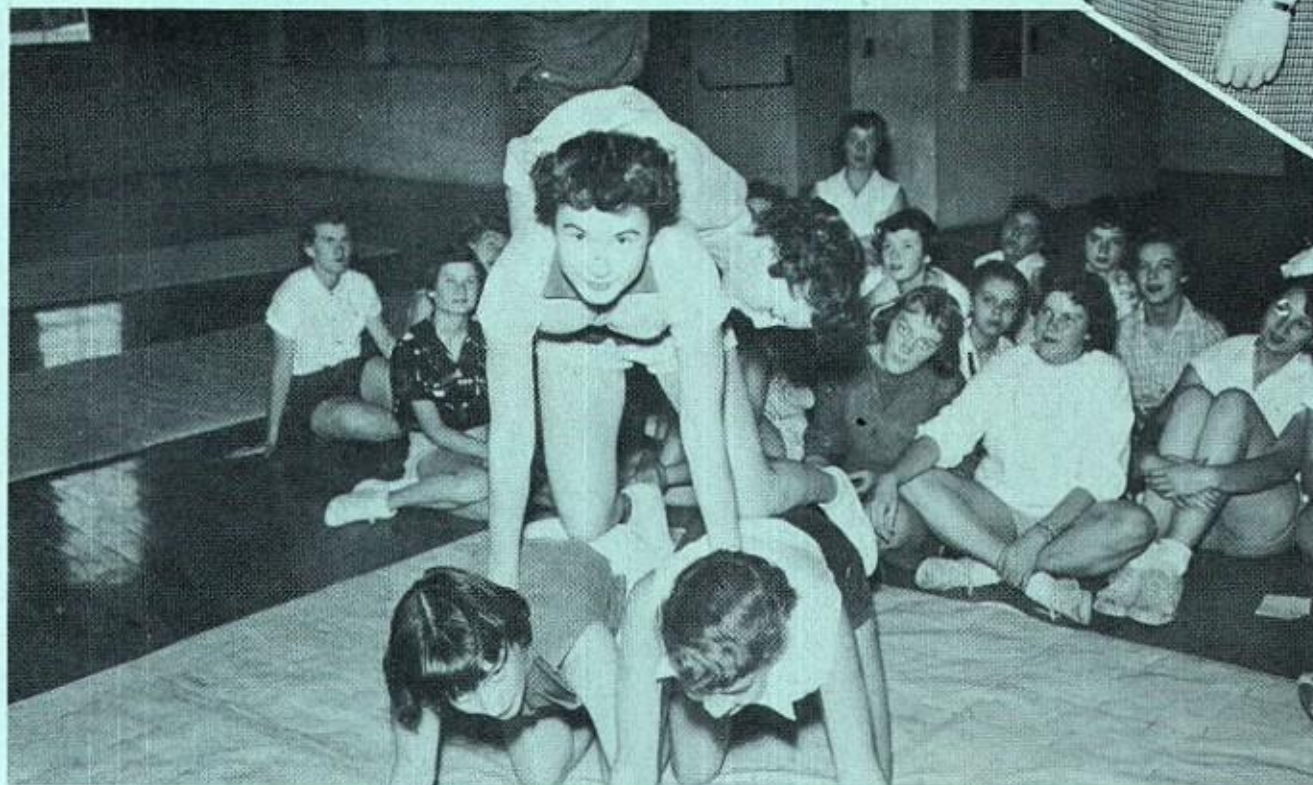

"Swing your partner" . . . "help the serve" . . . "put the ball in" . . . are all phrases you might hear resounding from Hilhi competitors as they relax for a briefing of vigorous gaming during their physical education class.

The leading purpose of boys' physical education is to develop and maintain desirable physical growth, health, and physical fitness.

At the same time the girls are striving toward the interest of physical fitness, promoting sports, and enjoying physical activity.

Instead of their regular P. E. class, the juniors and seniors take a course in health for one six weeks period each year.

All the students of Spartanville develop sportsmanship and an ability to play and get along with others through team games as well as developing individual skill through individual sports. In various exercises and folk dances, rhythm and precision in movement are accented.

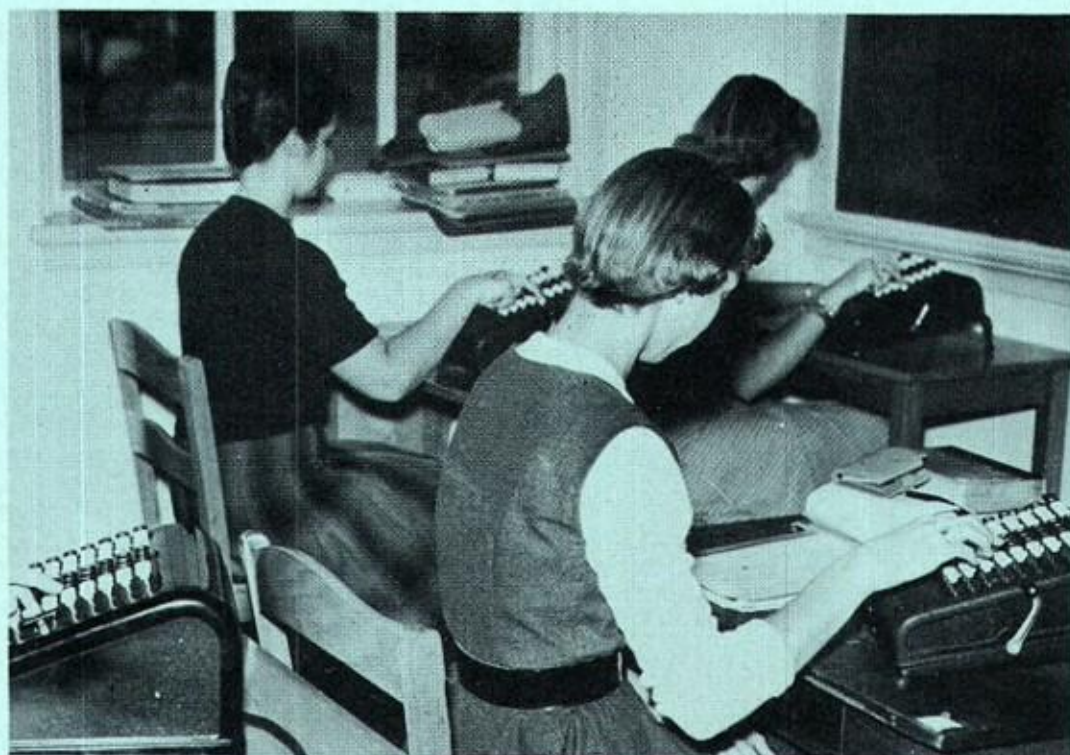

Typing Shorthand Machines

Typing is not the only business course but it is the most popular. The first few weeks students heard the familiar A-S-D-F;-L-K-J, which means the home row of keys. After a couple of months of practice and drills, students started learning to type business letters and business forms.

Another popular course was shorthand, with its strange lines and curlecues, but after students had a few lessons, these became a little clearer.

Business machines is about the most interesting business course. The school has a marchant calculator the multiplies, divides, and subtracts automatically as well as adding. This department also has ten calculators which students learn to use, and those who become proficient enough may obtain a job as a calculator operator. This course is open to any senior who has had typing.

Speech

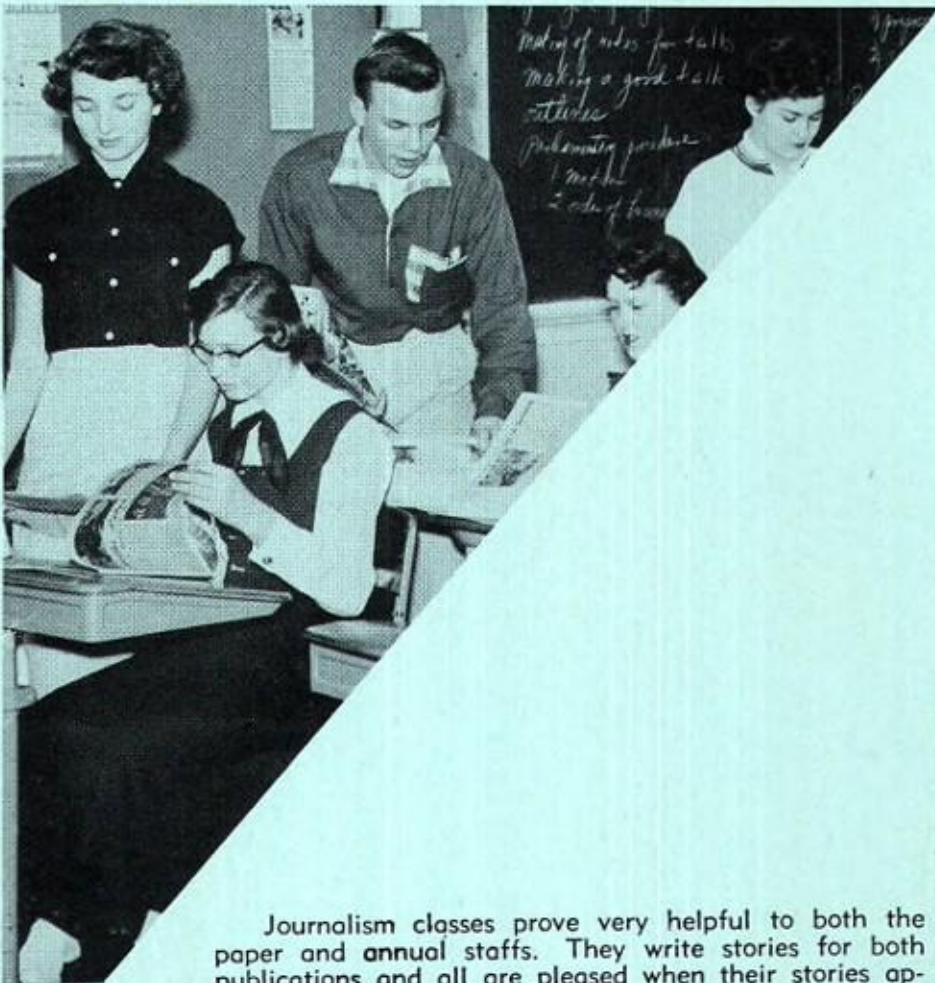

Journalism

Music

Debate and speech squads participate in the Pacific University, Linfield College, and Willamette University individual meets and the district and state meets. Speech gives students an excellent opportunity to improve themselves, and anyone interested can try out for the squads.

Band, choir, and music appreciation classes provide varied musical courses for students who enjoy this phase of the curriculum. Band and all choir groups appear in the annual Christmas concert and the band enjoys playing in the Rose Festival parade while the choir performs each year in the Hi-Jinks.

Journalism classes prove very helpful to both the paper and annual staffs. They write stories for both publications and all are pleased when their stories appear in print.

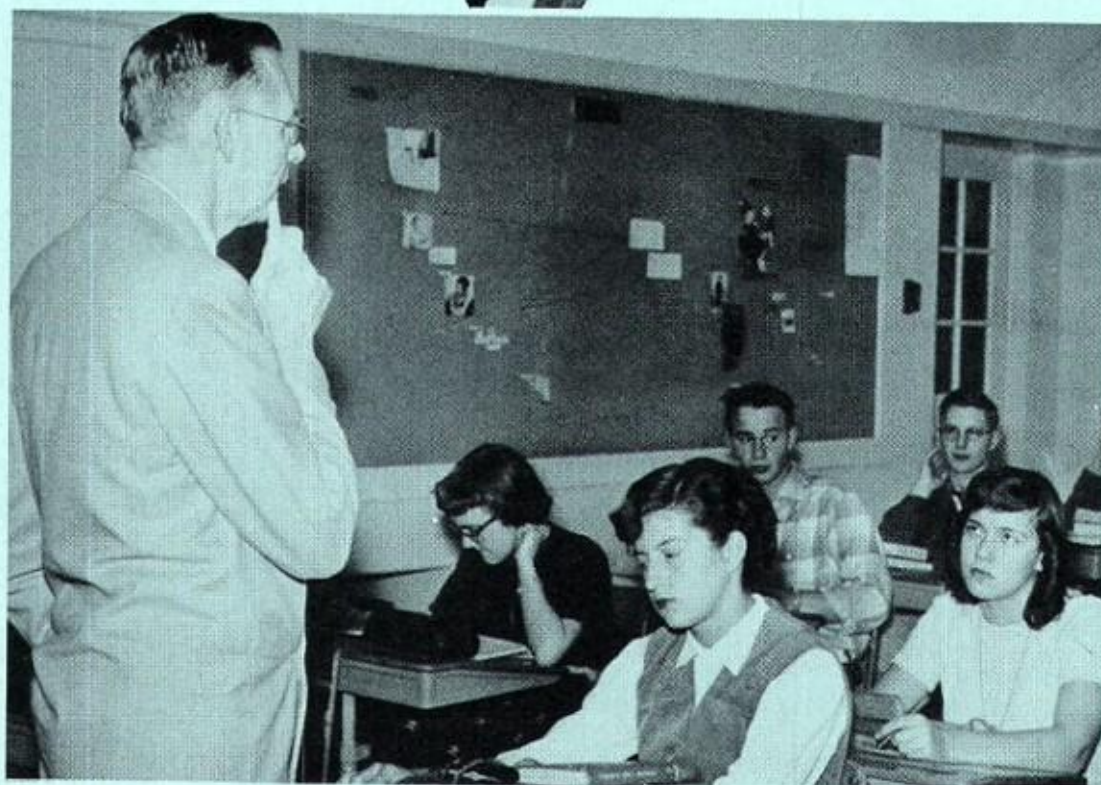

Social Economics

American History

Social Science

Themes, themes, themes . . . that's what Mr. Stalley's social economics classes thought at first, but it was just one of the ways of studying such things as soil conservation and price structure. Mr. Davis's students found that writing papers gave them the same knowledge. There was not only much college preparatory work for the members of the classes who planned to attend, but the students who were not planning on college received a good foundation for their life ahead, too.

Mrs. Young, Mr. Snyder, and Mr. Davis taught the juniors the history of the United States and history and functioning of the government.

Freshmen social science classes' objective is to learn habits which govern action of peoples of other nations, that they may be understandable to us. Teachers, Mr. Foelker and Mr. Samsa, have made the class more interesting by showing films, and having interesting speakers and recordings from different countries.

Drama

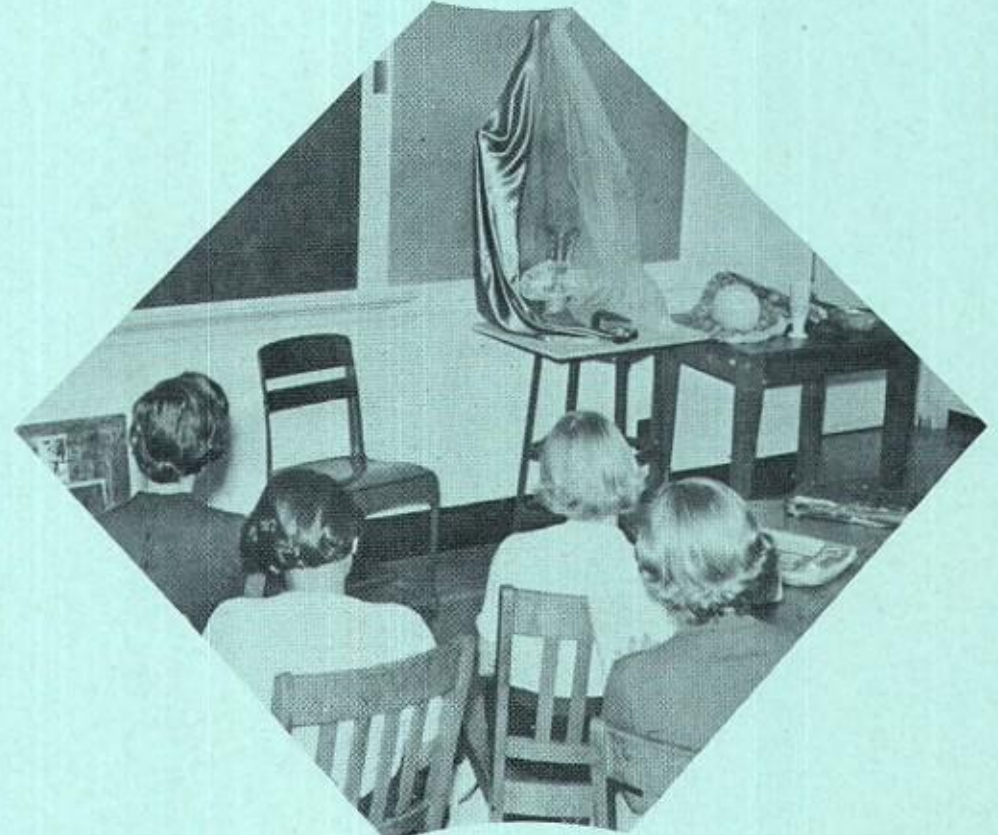

Art

English

First year drama students, who learn about the history of drama and how to build settings and work lighting, often help during the junior and senior plays. They learn how to memorize lines, how to pantomime, how to direct plays, and how to do readings. With all this knowledge on hand, enthusiastic young actors and actresses can carry in to second year drama, which consists of producing plays and doing reading and some pantomimes.

After taking an elective course in art for one or two years, one finds himself appreciating the common things about him. The quality of work is varied from wood and soap carvings to etchings and oil paintings, jewelry making, water painting, pen and ink, fashioning, interior decorating and portraits.

Readin' and ritin', two of the basic three R's, comes in a four-year course of English which all Hilhi students are required to take. Freshmen do public speaking, sophomores struggle along with diagramming, juniors work on panel discussions, and the superior intellects study the finer things such as Macbeth.

Activities

Hilhi Staff

"What's next, boss?" Each day the photographers pose this question before editor Lorna Kummer. Except for class and club pictures, which were taken by a professional photographer, student photographers Merle Wright and Bill Hillgaertner take the credit for annual pictures. Mr. Weaver instructed a class of photographers who assisted.

Working with the editor were Gretchen Faber, assistant editor; Kendra MacLeod, business manager; and Paula Neumann, assistant business manager. Mr. Knispel, along with being advisor to the general staff, worked many long hours on photography.

Five deadlines to meet, pasting up photos on pages, scheduling pictures, and assigning copy are, of course, all headaches, but fun. The staff's reward comes in full when they see the finished annual containing the pages they helped compose.

The 120-page yearbook this year has a modern layout designed to make the book more interesting. Carole Clark again designed the cover. Also, there is a 12-page supplement to come early this summer.

Hilhilites Staff

More issues than ever before . . . a new name plate . . . the first eight page paper . . . new organization of the staff room, these were just some of the new innovations of the staff of the Hilhilites this year.

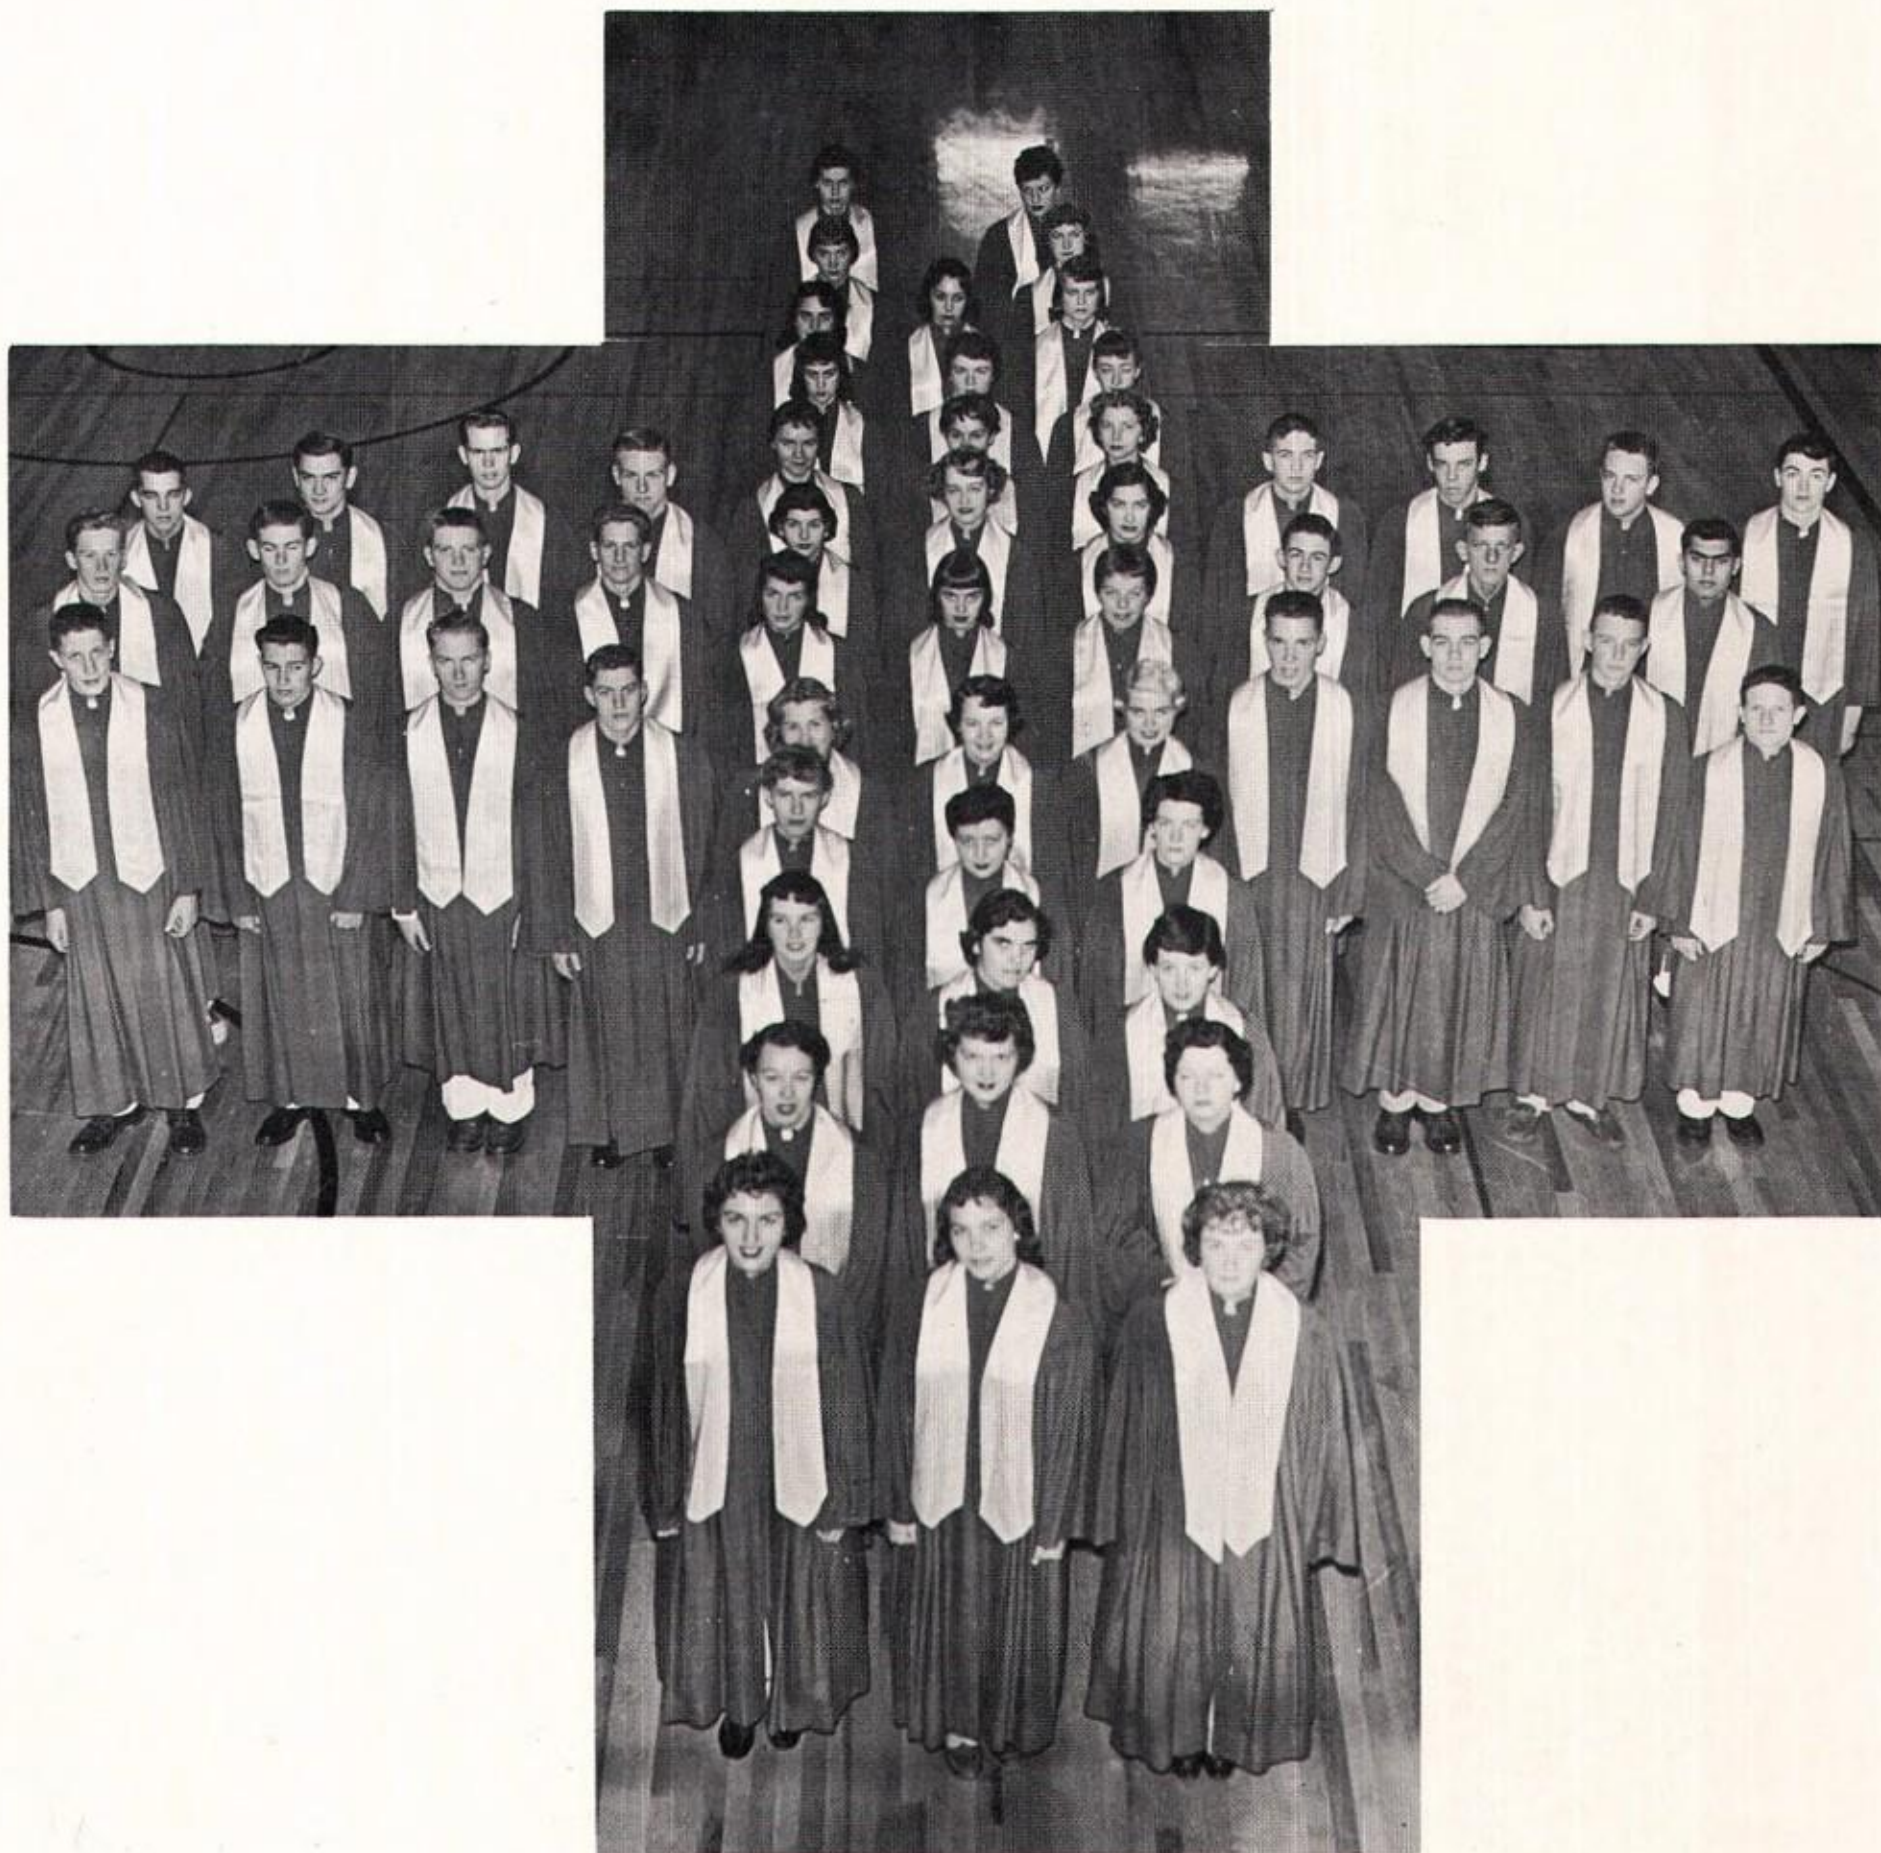

One of the high points of the year was the trip to Eugene in October that ten members of the paper and annual staffs took to attend the annual Oregon Scholastic Press Conference.

Under the able (?) leadership of Doug Porter and his now famous phrase, "Yeeooo can be replaced!" the staff worked harder than ever at their jobs. Also new this year is the official headquarters of the Hilhilites, the room in the corner, where the staff had a perfect vantage point to see the happenings on Sixth avenue (just ask them about the snowballs!)

The business and advertising staff handled approximately \$2500. More than half of this sum came from advertising with the downtown merchants.

The staff consisted of Doug Porter, editor; Kendra MacLeod, news editor; Marilyn Donaldson, features editor; Lillah Ball, club editor; Rodney Mosier and John Dove, sports editors; John Osmundson, make-up editor; Marilyn Raymond, circulation; Lyla Lytle, advertising manager; Norma Adams, business manager; Mrs. Knispel, advisor. Pictures for the paper were taken by Mr. Knispel.

Choir

"Come ring the curtain up, the drama is beginning . . ." rang through the Hilhi gym at Yuletide as the senior a cappella choir presented its annual Christmas concert, the biggest production ever attempted by the music department.

While ears listened to Fred Waring's arrangement of Tchaikovsky's "Nutcracker Suite," the eyes were treated to a corps de ballet directed by Hilhi alum John Jensen. The "Song of Christmas" again was sung during the sacred part this year, graced by the beautiful Gothic replica stained glass window.

Holding the official reins were: Dick Frantz, president; Jack Olson, vice-president; Genevieve Piercy, secretary; and the choir council which included: Brian Busch, Lorna Kummer, and Carole Clark.

The "spruced up" choir room was the scene of many a well-spent period in practice for other events held by the active choralists. The Easter concert, Hilhi Jinks, Lion and Rotary programs, commencement and baccalaureate, were familiar on the agenda, and the second spring recital was held when the artist, musician's, performer, and merit awards were given. One function, however, left a note of finality as they attended their last TYV music festival.

Hilhi's selective choral group, the Harmonaires, have had the busiest year in their history keeping the appearance schedule full for the 16 members and director Mr. Clark.

ROW 1—Mr. Clark, Judy McLain, Walter Grosjean, Leo Reynolds, Margie Meihoff, Willetta Young, Karen Engelen, Lorna Kummer, Darryl Meyer, Jack Olson.
ROW 2—Sherry Briot, Alice Medland, Carole Clark.
ROW 3—Dick Frantz, Elroy Buechler, Brian Busch.

Hilhi

High point of the year for the 60 members of the concert band came in April when a two-day trip to Bend for an exchange concert and assembly was made. The Bend group performed here in May.

Activities for the 56-piece marching band were half-time shows at home games. They performed during half-time at a Pacific University game, also.

Also taking part in the whirl of activities was the 17-piece dance band. They played for a number of school dances and took part in the contest-festival January 28 at Pacific.

Officers chosen by band members were Geary Younce, Lillah Ball and Susan Mann. Representatives were Ed Clark, Carl Widrig, Barbara Lincoln and Judy Foster.

Band

The winter concert was held February 29 in the main auditorium; all instrumental groups in the Hillsboro schools were included here. The district contest-festival was at Newberg in April.

Fourteen members were chosen to represent Hilhi in the TYV honor band, rehearsed and directed by the assistant director of bands at the University of Oregon. They performed as a finale to the festival April 7.

Music department awards and other special ones were announced at the Spring Senior Recital.

Mr. Carl Gutmann is director.

RALLY KING, JACK

Rally

RALLY QUEEN, CAROLYN

"... Crazy man, crazy, gone, gone..." that's a new yell describing the nine-member Rally Squad headed by Queen Carolyn Vanderzanden and King Jack Olson; backed by advisor Miss Paladino.

This year's squad had lots of "hustle" as they added several new yells to the Spartan repertoire and got many new ideas attending the Rally Clinic in Portland.

Annual events held the spotlight during their busy year: Making a good showing at the Jamboree and leading the hectic serpentine, as well as running pep assemblies and being at all games.

Picked by student body election, Rally Squad members must keep up scholastic average and citizenship.

Senior Play

"I think I'm going to vomit" was the first outburst of Dick McKinney as he played Sheridan Whiteside in "The Man Who Came to Dinner."

Play revolved around "dear, sweet, lovable Sherry" as he sat in a wheel chair in the Ernest Stanley home after his encounter with a piece of ice on the porch step.

Keeping his reputation of being a critic lecturer, wit, radio orator, and intimate friend of the great and near great in mind "Sherry" was very obnoxious and "endeared" himself to the rest of the cast which consisted of Janeal Davisson as Mrs. Ernest Stanley; Ethel Lewis, Miss Preen; Jack Kelly, Richard Stanley; Donna Jarrett, June Stanley; Don Welch, John; Dianne Robinson, Sarah; Bev Pilcher, Mrs. McCutcheon; Lee Barton, Mr. Stanley; Juanita Greener, Maggie Cutler; Jerry McAllister, Dr. Bradley; Dick McKinney, Sheridan Whiteside; Carolyn Wilcox, Harriet Stanley; John Dove, Bert Jefferson; Jack Olson, Professor Metz; Norman Berger, expressman; Carol Marggi, Lorraine Sheldon; Bill Rogers, Sandy; George Biersdorf, Beverly Carlton; Bruce Ludlow, Westcott, and Lew Houck, Banjo.

Forensics

"Therefore we of the affirmative (negative ?) contend that . . . " was heard many, many, **many** times during the year as 39 of the 41 forensic students debated the question: "Resolved, That the Federal government should guarantee higher education to qualified high school graduates through grants to colleges and universities." Besides that, they worked on orations, interp, impromptu, after-dinner, extemp, and much more. Mr. Dancer is the coach.

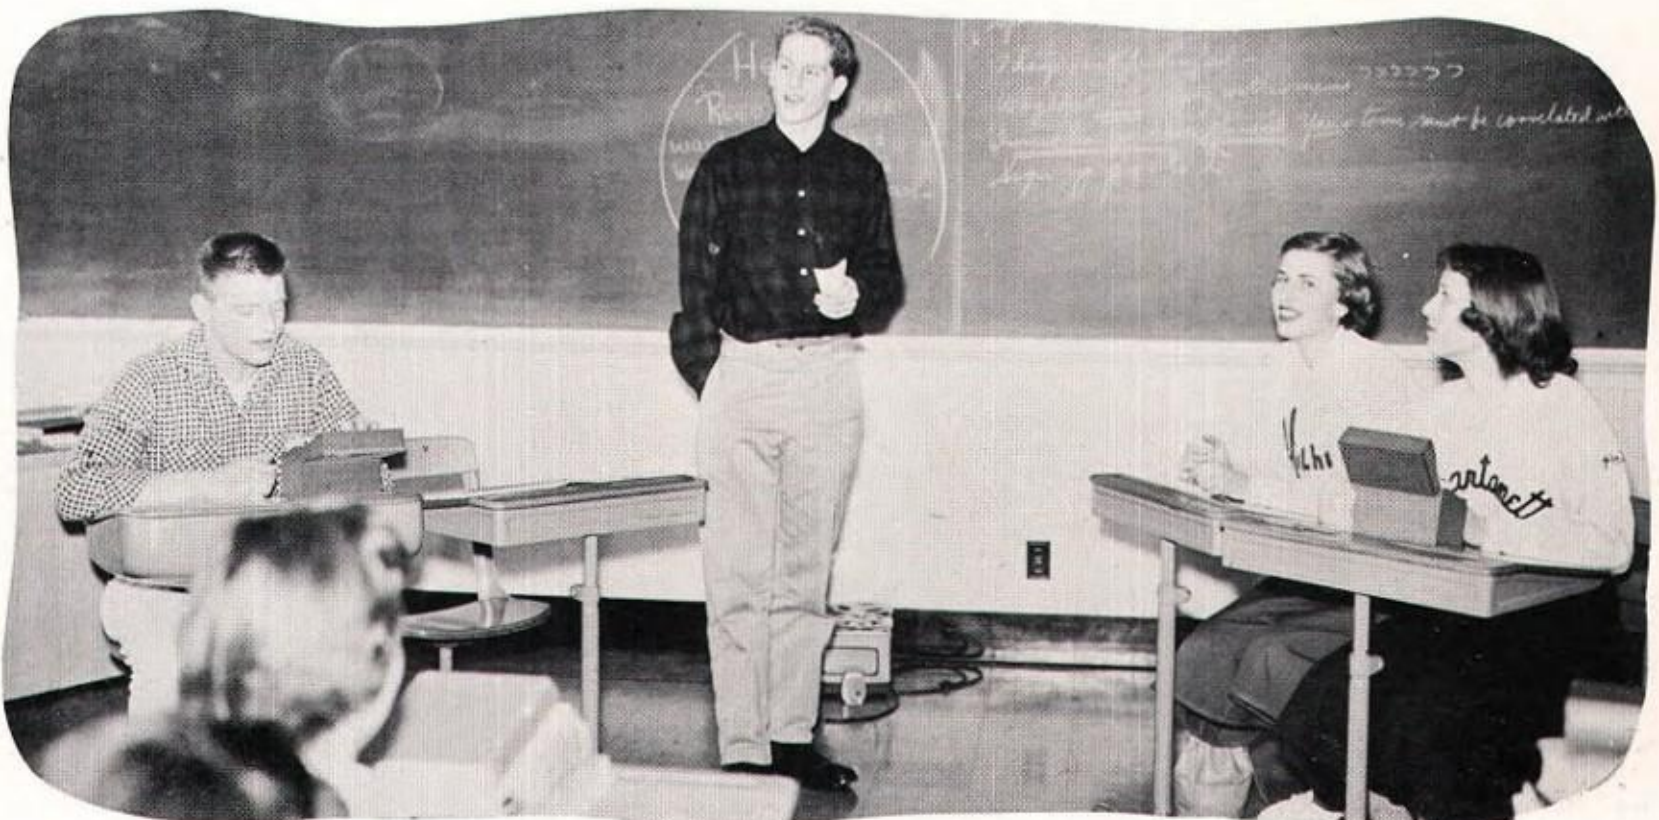

The sweepstakes title was captured at the Pacific U. tournament this year, following three years when the squad had held second place. Cup winners were Sharon Burdett, Doug Porter, Dick McKinney, Dana Ralston, and Bev Pilcher.

At the Linfield tournament, where over 700 students from 41 schools were participants, Spartan squad of 36 came home with all four sweepstakes awards; there were 15 trophies, 15 seconds, and 9 thirds. First place winners were Judy Newton, Bev Pilcher, Carol Baker, Sharon and Pat Burdett, Jack Olson, Linda Lakson, Janice Nelson, Marlin Bennett and Jon Chambreau. District and state results came after this writing.

In the "I Speak for Democracy" contest Doug Porter placed first in the district.

Speakers participated in various contests and performances at the American Legion, the Knights of Pythias, Odd Fellows, and before churches and other groups.

At the end of the year the squad elects two of their number to receive the Rotarian of the Year speech award. Last year this went to Paul Melhuish and Dixie Johnson.

Speech

Students engaging in competitive speech and attending at least one major tournament are qualified for membership in the speech club.

Purpose of the club is to organize its 41 busy members who are in various speech classes, forensic class, and all others participating in competition into a club for service to themselves and to the school.

Leading advisor Roy Dancer's speech clubbers were Dick McKinney, president; Jack Olson, vice-president; Carole Baker, secretary-treasurer, and Carolyn Vanderzanden, representative-at-large.

Although speech itself takes time and energy, the club was active throughout the year. Activities included a get-acquainted pot-luck in the fall for members of the student body interested in the speech program, a Parents' Nite in January when parents of squad members were invited to dessert and to listen to a debate. This was the first time such an event was held.

To wind up the year the Senior Farewell Banquet was held to give graduating seniors a farewell toast. New officers were elected at this banquet.

Girls' League

The girls of Hilhi started this year off with much activity. The Big-Little-Sister Party, Hello dance, Junior Red Cross collection, Miss Merry Christmas contest, the annual Girls' League Open Assembly, Papa Party, State Convention and others were on the agenda for the members of Girls' League. These opportunities helped to promote better understanding among the girls of Hilhi which is the purpose of the organization.

"Girl-of-the-Month" is another big event for the league. Each month a girl is chosen by the cabinet to hold this honor on the basis of her outstanding services to the school throughout her four years. Out of the eight "Girls-of-the-Month" one will be chosen "Girl-of-the-Year."

The girls of Hilhi elected Bobbie McCambridge as president, aided by the Vice-President Janice Kummer; Secretary Lorna Kummer; Treasurer Merle Wright; Sergeant at Arms Georgia Hess, and their faculty advisor Mrs. Young.

Dean of boys Mr. David Wienecke advised the club, while Rolf Hansen held the presidential reins. Duane McDaniel served as vice-president; Robert Meltebeke, secretary; and Dick Frantz, treasurer.

Class representatives were: Caryll Goetze, seniors; Dexter Martin, juniors; and Brian Busch, sophomores.

Featured in a Boys' League assembly in the fall was a troupe of entertainers from the Portland Pal club. They demonstrated juggling acts, staged boxing matches, and performed other athletic stunts.

Another activity held by the League was a clothing drive at Christmas to obtain clothes for needy families in this area.

Boy-of-the-Month competition was sponsored by the club. A smoker was planned for later in the spring.

Their uniforms consist of a white sweater, blue culottes, white shoes, blue stockings, and a transparent rain jacket. Girls on the Rally Squad are automatically members.

Officers this year were Georgia Hess, Bev Pilcher, Janice Schlangen, Diedre Sahnaw, Judy Hofer, and Joyce Phillips. Miss Nora Lee Craven was advisor.

Any girl may join this club if she earns points by participating in sports, and pays 40 cents dues. Those who earn 100 points are awarded a letter with a stripe, and have the privilege of wearing a sweater. They are then awarded an additional stripe for every 50 points.

This year's officers are: Coi Wilcox, president; Rose Meier, vice-president; Kay Paulson, secretary; Carole Baker, treasurer; Karen Bagley, volleyball head; Charlotte Burke, basketball head, and Virginia MacMullen, softball head. Blue-H

MIKE HAFNER

Any Hilhi letterman willing to chance the paddle initiation, which is a twice-a-year event in front of the school, is an automatic member of Blue-H. Purpose of this club is to promote better feeling among athletes. Blue-H members can be identified on days of home games by their blue and white letterman sweaters.

They sold booster buttons for the West Linn football game, and sponsored the dance afterward with Y-Teens. In the spring they had a "dad's night," together with Boys' League. They also cleaned up after the football game with Beaverton. An annual event in the spring is a banquet for members.

Advisor was Mr. Martinson.

CAROLE CLARK

Y-Teens

Remember how attractive the school looked at Christmastime? The "Hanging of the Greens" was just one of the service projects done by Y-Teen girls throughout the year. Because Y-Teens' purpose is to be a club of service, running a close second were activities such as serving at faculty meetings, making favors for the county home, and constructing a scrapbook to be sent to a foreign country.

Y-Teens, in conjunction with the Young Women's Christian Association Teen-Age activities, participated in many social functions sponsored by the YWCA in Portland.

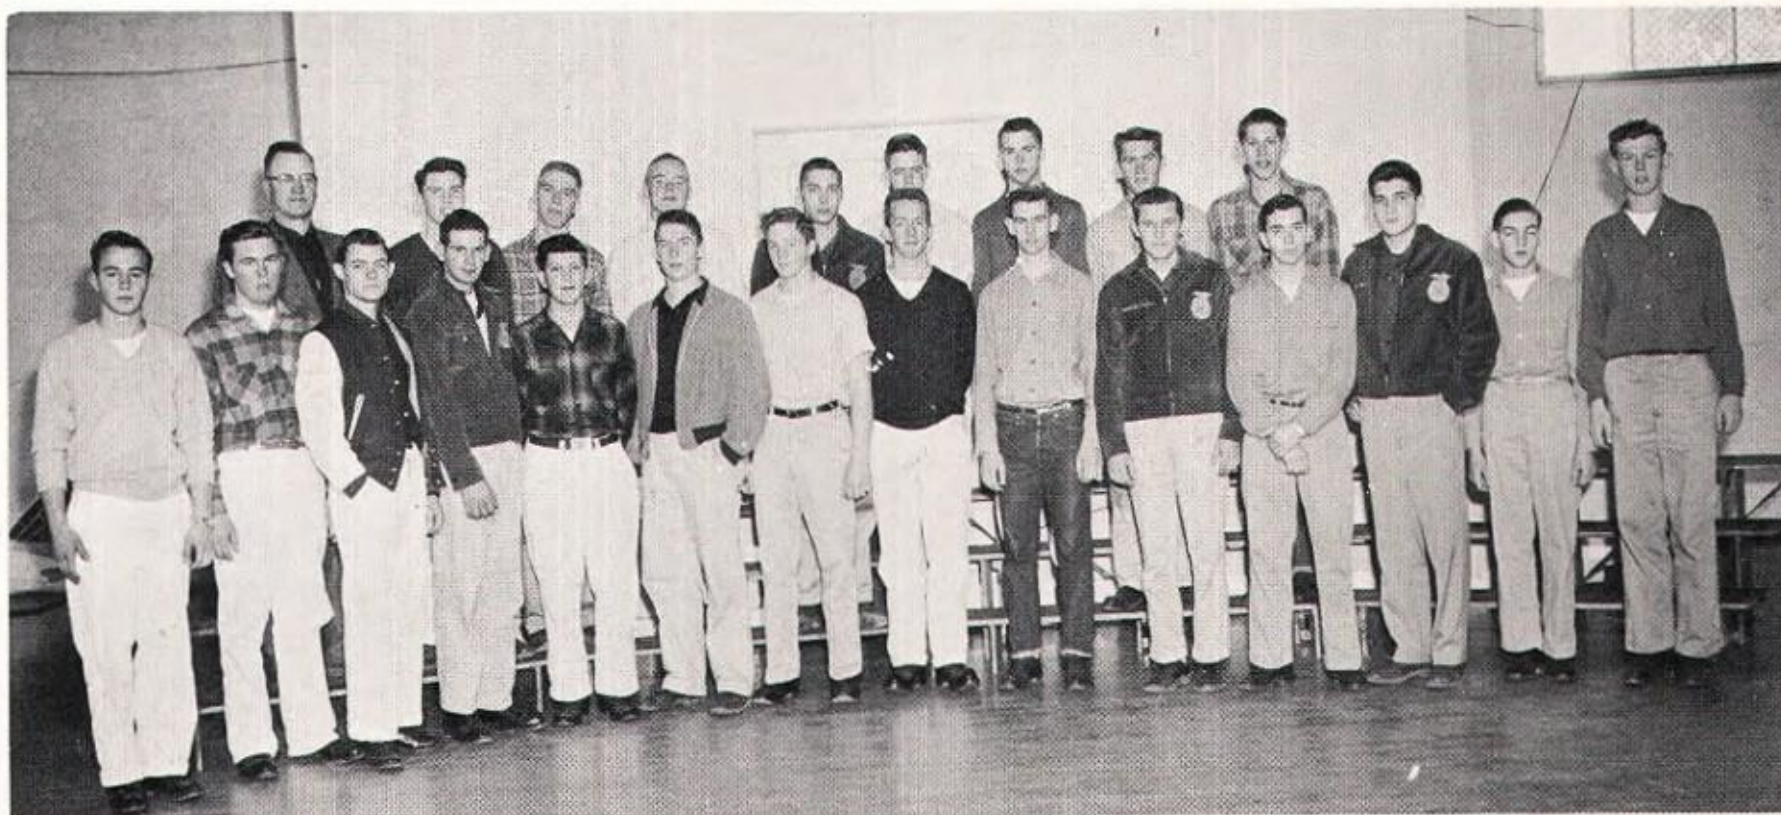

Y-Teen girls have fun, too. On the calendar of events during the year were the dad-daughter banquet, mother-daughter tea, new members' party, bowling party, and spring picnic. The girls also sold mums for the Rally Day game and decals during the opening of the basketball season to raise money for the scholarship to be given to a deserving Y-Teen senior girl.

Carole Clark, club president, was assisted in her duties by Norissa Leger, vice-president; Ellen Simantel, secretary; Janice Schlangen, treasurer; Margie Meihoff, business manager; and Mrs. Ken Turner, advisor.

To become established in farming and develop rural leadership and character is the purpose of this club.

In August and September the FFA went on judging trips to county and state fairs; in December they went to a state corn show in Canby, Oregon. The parents-and-son banquet was held October 26 in the cafeteria, with 260 attending.

They placed second in the northwest district shop and agriculture contest held at Hilhi last March.

They also placed fourth in the public speaking contest held at St. Helens last January.

Columbia Product dinner . . . were others. They also served for the Future Farmers of America banquet and had a banquet of their own.

To celebrate national FHA week, the group presented to each faculty member a beautiful red rose. A coffee maker was presented to the school for concessions and banquets.

Junior Play

"Look, a fella ought to know if he's dead or not, I guess," stated Lew Houck, as Joe Pendleton in this year's junior play "Heaven Can Wait." The play, a three-act comedy-fantasy, was given on March 13 under the direction of Mr. Carothers.

Stage manager was Judy Teufel, assistant stage manager was Karen Engelen. Set painting was done by Jo Ann Fulton, Lola Herbert, Lew Houck, Susan Baer, Judy Teufel, Velma Haley, Nancy Leopold, Lois Meeuwsen, Dick Frazer; sound effects were taken care of by Bill Riggs and Duane Sanders; costumes, Ruth Skreslet and Marilyn Miner; make-up, Donna Jarrett, Joanne Hare, Velma Haley, and Marilyn Raymond; curtain, Jack Thompson; lights, Dick Faulkner; propertieis, Ed Clark.

Hilhi Jinks

"RHYTHM ON THE ISLAND"

Beautiful music — beautiful scenery — beautiful girls (in sarongs!) all were featured in this year's Hilhi Jinks.

"Rhythm on the Island" was the theme of the annual production which was held April 15-16.

Principal characters were Roger Turk as Sarge; Marge Meihoff, the spokesman for the girls; Eddie Raule, the little stowaway.

The scenery was painted by Joan Clark and Marilyn Miner. Mr. Walter Foelker and his "volunteers" were in charge of the set. One highlight of the set was a real waterfall, not to mention the palm tree (a typical swaying palm, if someone was so careless as to lean on it!)

Senior Dress-up Day finalists were presented at the intermission. Final winners were Conrad Roub, Dave Luethe, and Jackie Ferry.

The program was directed by Mr. Ronald Clark. Miss Anita Pienovi did the choreography. Accompanists were Judy McLain and Miss Nancy Kirkpatrick.

Tickets and publicity were handled by the annual staff; programs and advertising by the paper staff.

Attendance for both nights was estimated to be 1700.

Golf

The Hilhi golf team, coached by S. C. Osmundson, had an enjoyable season, if not because of their win-loss record certainly because they had more matches than any previous year. Nine matches were held, the local divotmen winning one and tying one.

Seven golfers winning letters were: Lee Barton, Ron Gile, and Doug Porter, seniors; Gary Holznagel and John Osmundson, juniors; and Mike Miller and Cordell Piper, sophomores. Harold Jones and Marlin Bennett also saw action but didn't play enough rounds to qualify for a letter.

Gile was the team's most consistent winner and Holznagel and Osmundson usually shared medalist honors. Porter and Miller played steady games while Barton and Piper were the most improved on the team.

Practice rounds were held at Forest Hills Country Club every Monday, Tuesday, Wednesday, and Friday after school. Some days were also devoted to group instruction.

Track

Coach Al Davidson's track squad closed their season with one win and five losses in scheduled dual and triangular meets.

Three Hilhi cindermen traveled to Corvallis to compete in the state track meet after winning two firsts and a second place in the district 6-A track and field meet.

Two school and one district record were broken this year. Dean Hill smashed a 27-year-old record by tossing the javelin 174 feet nine and one half inches over the old record of 164 feet, set by Jack Rushlow in 1929.

Warren Jones cracked the 880-yard dash last year in 2:04.6 on his first conquest, only to come back this year to smash his old Hilhi track record with a better 2:03.3. At district Jones set an unofficial time of 2:02.9 to lower the local record made by himself. This was under a 16-year-old district record of 2:03.

The local thinclads swept past Oregon City and Forest Grove 76½, 65, 9½ respectively for their season's only win.

Hilhi Spartans placed a close fourth, but shattered the mile-relay for a new record of 3:33.1 at the Beaverton relays. This was four and four tenths less than the record set by Beaverton in 1946.

Dance

Every Thursday night from 7 until 9:30 when the party room in the gym was available the 60 members of the newly-organized Dance club met with their advisor and instructor Mr. Osmundson, with the purpose of promoting entertainment for students and understanding different types of dances.

The Dance club began its organizing in the fall with approximately 150 students attending the meeting held in the auditorium.

Qualifications for membership are an enjoyment of social dancing and showing an interest in the club.

Ski

"We had blistered feet and aching bones when we returned from skiing at Multapor, near Government Camp," a member of the Ski club stated.

Ski club head this year was Gary Horning, assisted by the club advisor, Mr. Bruce Taggart. Vice-president was Jack Kelly; secretary-treasurer, Norissa Leger; equipment manager, Kris Hoffman, and assistant equipment manager, Bob Claeys.

Six trips were planned for the skiers this year. Instructions were offered for beginners and intermediate skiers.

Main purpose of the Ski club is "to promote an active outdoor sport and to learn controlled skiing for the enjoyment of all."

Qualifications for membership are to have paid dues, and also have parents' permission to go on trips.

Fire

JACK MICHAEL

Luckily, Hilhi's active Fire club members were not called to duty this year.

A few "false alarms" gave the club firefighters some practice drills to aid in the main purpose of "protecting the students in case of fire," by holding open doors and aiding in any way.

This year's members vote on next year's participants in the club.

Advisor was Mr. Wesley Foster.

ROW 1—Don Vanderzanden, Walt Grosjean, Dean Hill, Bill Rogers, Ellis Poullette, advisor.

Hi-Y

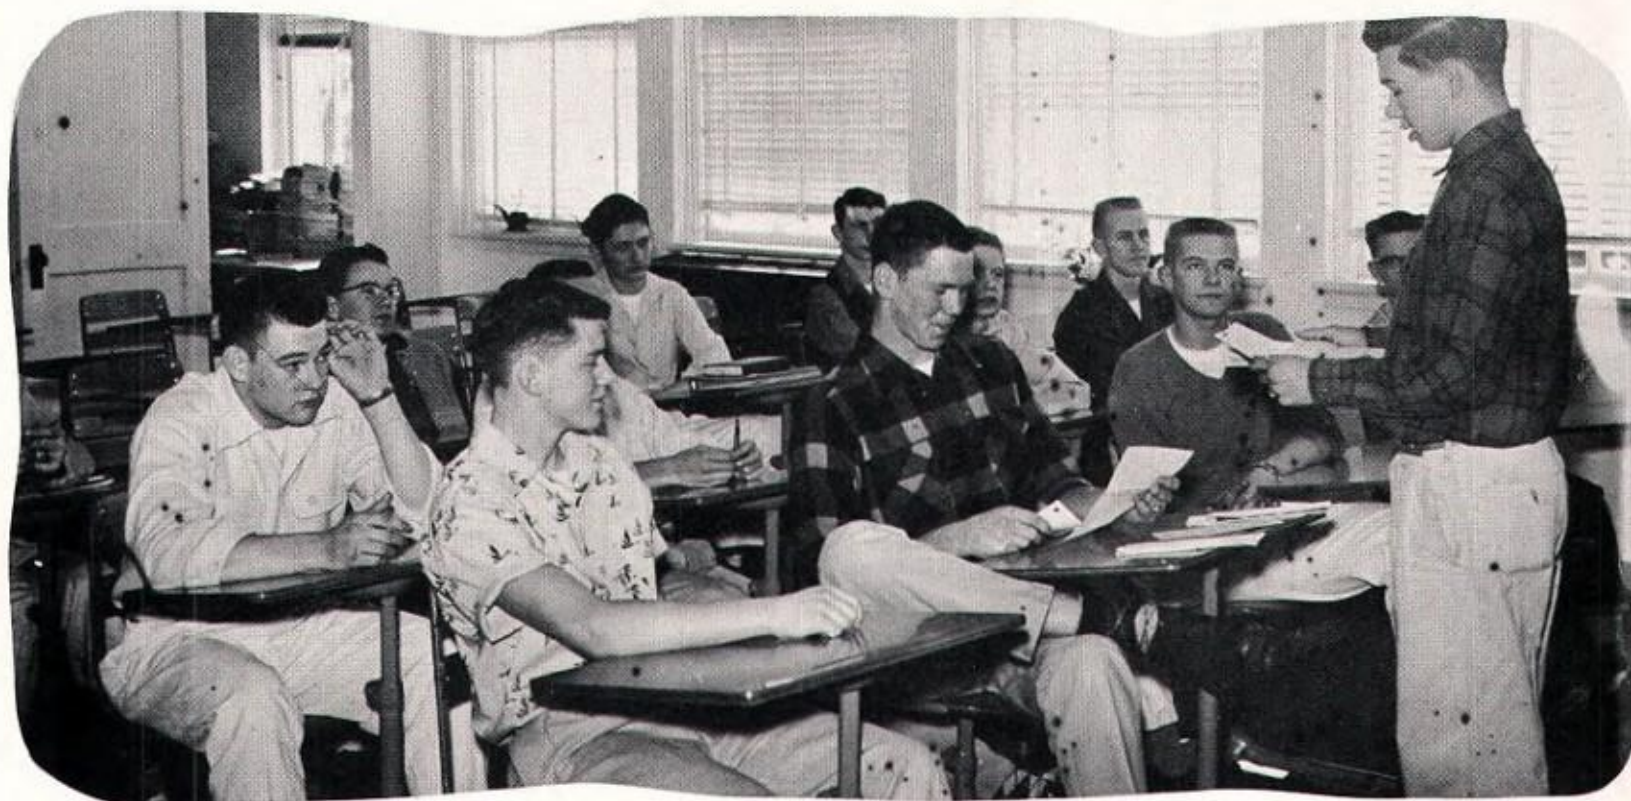

BILL ROGERS

"May I help you open your locker" was one statement heard often echoing through the halls of Hilhi in the fall as members of the Hi-Y club came to the assistance of many freshman in the opening of their lockers. This is one of the many services rendered through this school year by the members of the Hi-Y.

Members of Hi-Y sponsored many activities: The famous "Twirp Season," the annual "Tag Day," "Shoe-Shine Day," ushering at the drive-in on Easter Sunday, and working in concessions at home games.

Membership is open to any sophomore, junior, or senior boy that believes in the purpose and motto of the Hi-Y club—"To create, maintain, and extend, throughout the school and community, high standards of Christian character." The Hi-Y club this year had 20 members.

ROW 1—Patti Crowell, Bill Rogers, Lee Barton, L. A. Carothers, advisor.

LEE BARTON

Drama

This year's annual Drama club banquet was held December 15. It was a pot-luck, after which members participated in games and dances. They also took an active part in planning and publicizing the Inter-club semi formal dances.

Other special events this year were invitational one-act plays put on for other classes, and preparation for a one-act play night or a third 3-act play.

To become a Drama Club member one must be in a drama class or have participated in school plays. There were 30 members in the group this year, with Mr. Carothers as advisor.

Purpose is "to acquaint members with drama and provide a means by which to improve interest in school activities."

ROW 1—Barbara Lincoln, Pat Younce, Robert Herb.
 ROW 2—Bernita Vandecoevering, Mavis Kinkade, Marjean Bagley, Pat Alberding, Charles Harris, Rosemarie Horst, Audrey Essex, Bonnie Burk, Karen Bagley, Mr. Snyder, advisor.

Garden

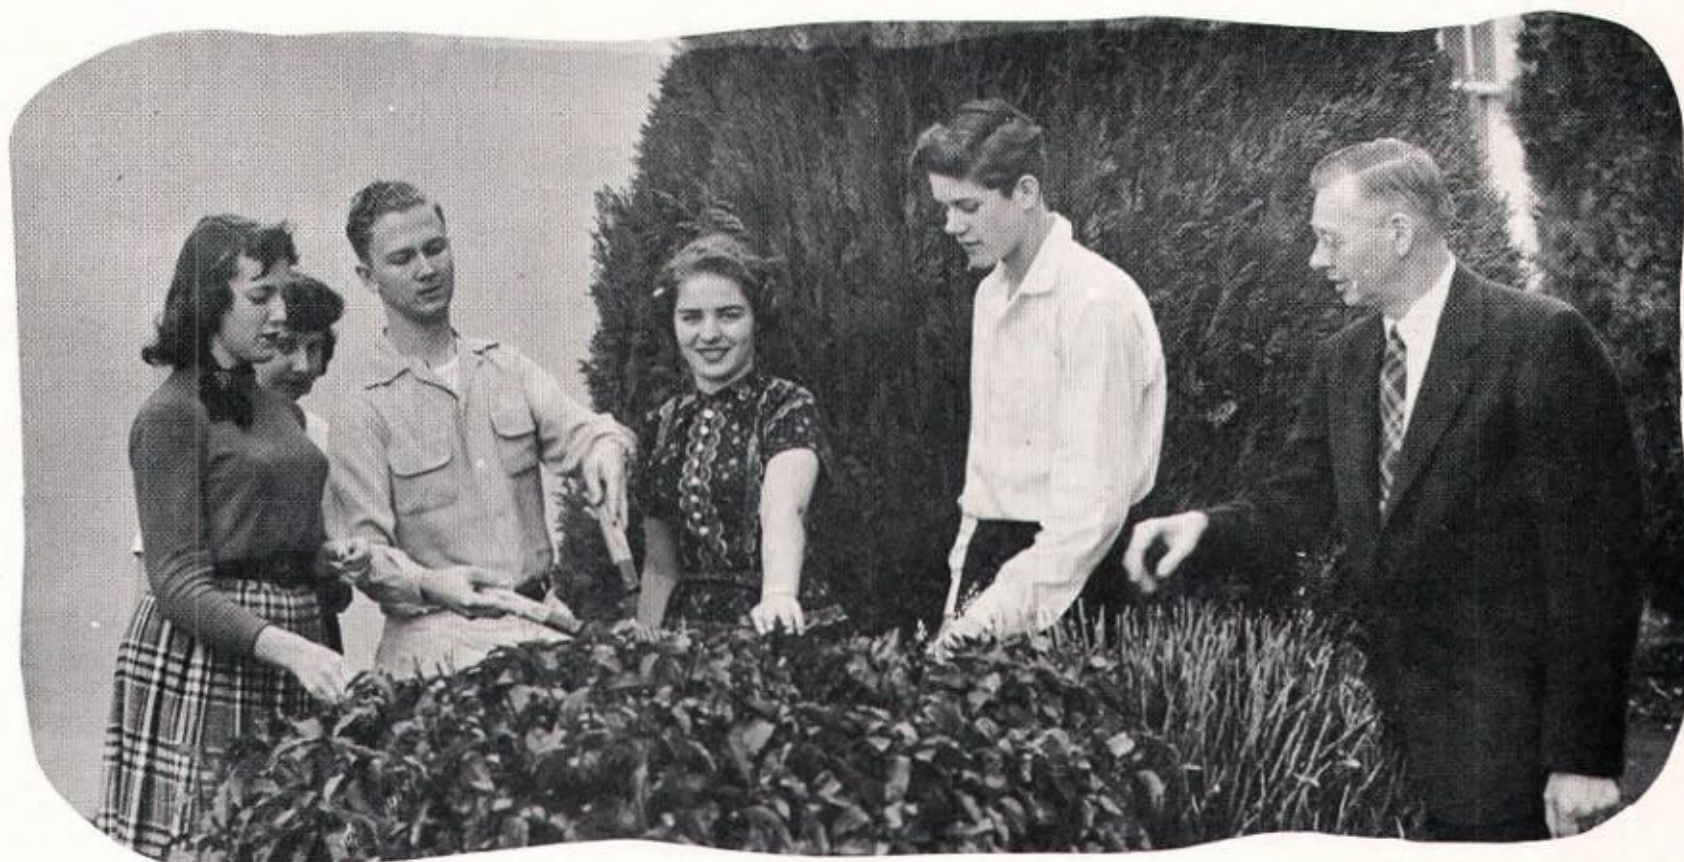

Garden club was organized this year as a result of interest by several people in flower design and culture. To beautify the school is the main purpose of this club of 15 members.

Members have home projects which include growing such plants as orchids, camellias, and roses.

Services this year included Christmas decorations, decorations for all school dances, and decorations for the library all year.

Highlight of the year was a flower exhibition in the spring.

Advisor was Mr. Snyder.

Latin

To satisfy the curiosity of those who saw Hilhi students garbed in Roman togas, they were Latin clubbers going to the initiation held at the Oracle of Delphi, November 7! Members of the club include only first and second year Latin students. The group's object is to promote an interest in and an understanding of Latin.

This club is headed by Alice Medland, president; Marlene Beeler, secretary; Anne Marie Westcott, vice-president; Barbara Bothum, treasurer; and Miss Edmiston, advisor.

Their annual banquet, scheduled as near as possible to the Roman Ides of March (March 15), was carried out in the Roman theme; members again wore their colorful Roman togas.

ROW 1—Jackie Ferry, Dexter Martin, Bruce Ludlow, Bill Hillgaertner, Sharlene Stratton, Mr. Taggart.
 ROW 2—Alice Minshall, Kathleen Goeden, Susan Baer, Dixie Lee Graves, Mary Lee Phelps, Ruth Skreslet.
 ROW 3—Kay Phillips, Donna Huson, Sharon Higgins, Beverly Brandi, Geri Stratton, Fred Shafer.

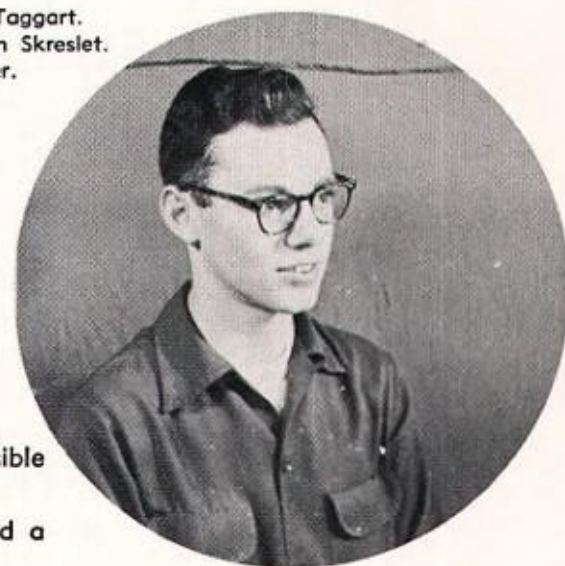

Spanish

To interest students in Spanish life and to speak the language as fluently as possible was what Spanish club members strived for this year.

A Christmas party, a trip to La Estrellita, a Spanish restaurant in Portland, and a skating party in the spring kept these 17 members pretty busy, but they enjoyed it.

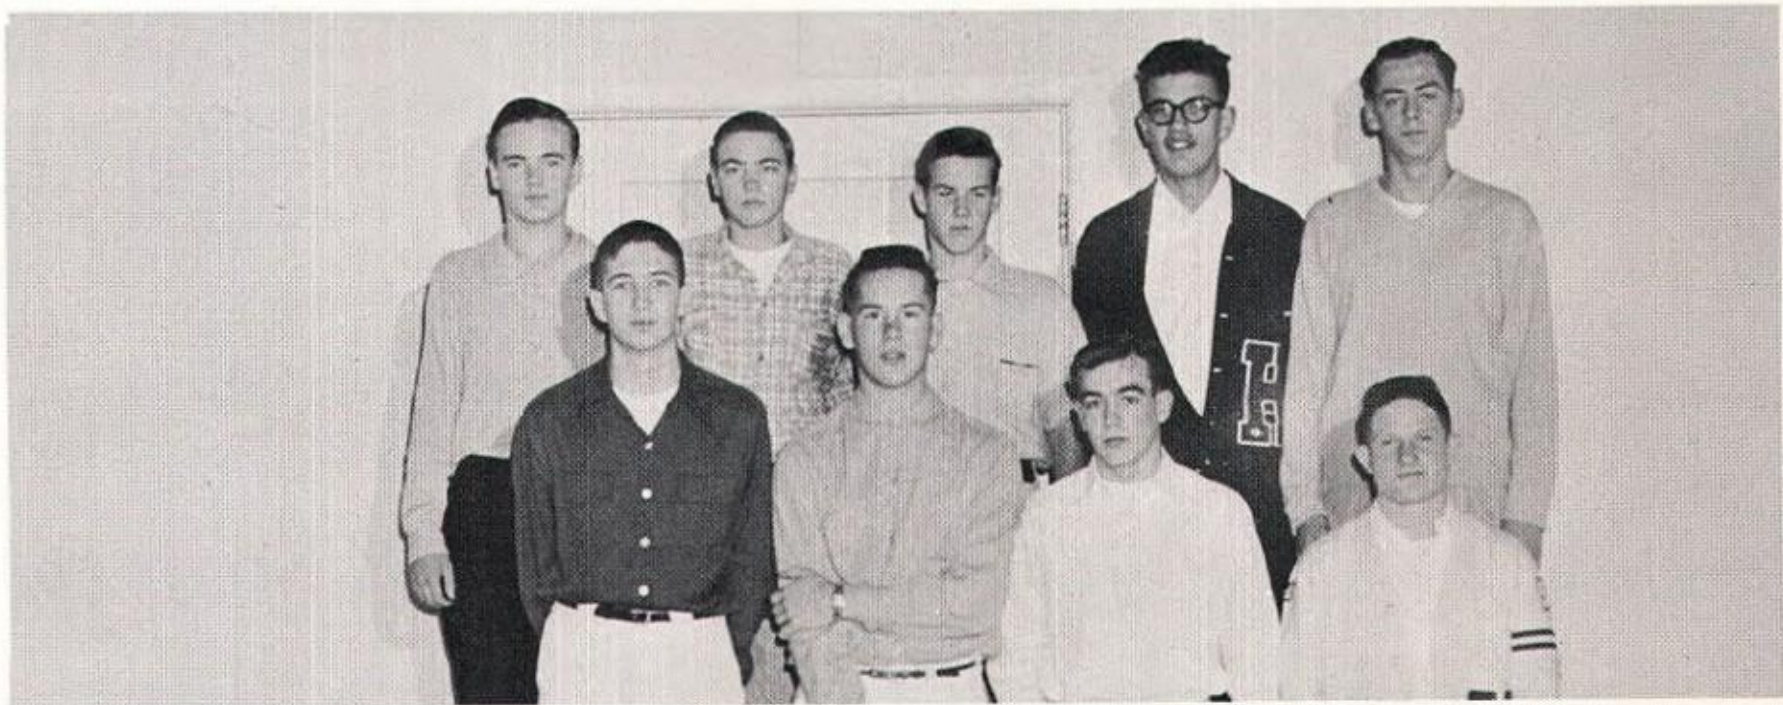

Initiation was held November 6, after returning from the Spanish restaurant. To be a member one must have had at least 6 weeks of Spanish language to meet the requirements.

With Mr. Taggart for their advisor, members had a very successful year.

NORM MARTINSON
Coach

This year Coach Norm Martinson led Hilhi to a second place position in the TYV League and a season's record of seven wins and two losses. Six of the wins and one loss were in league play.

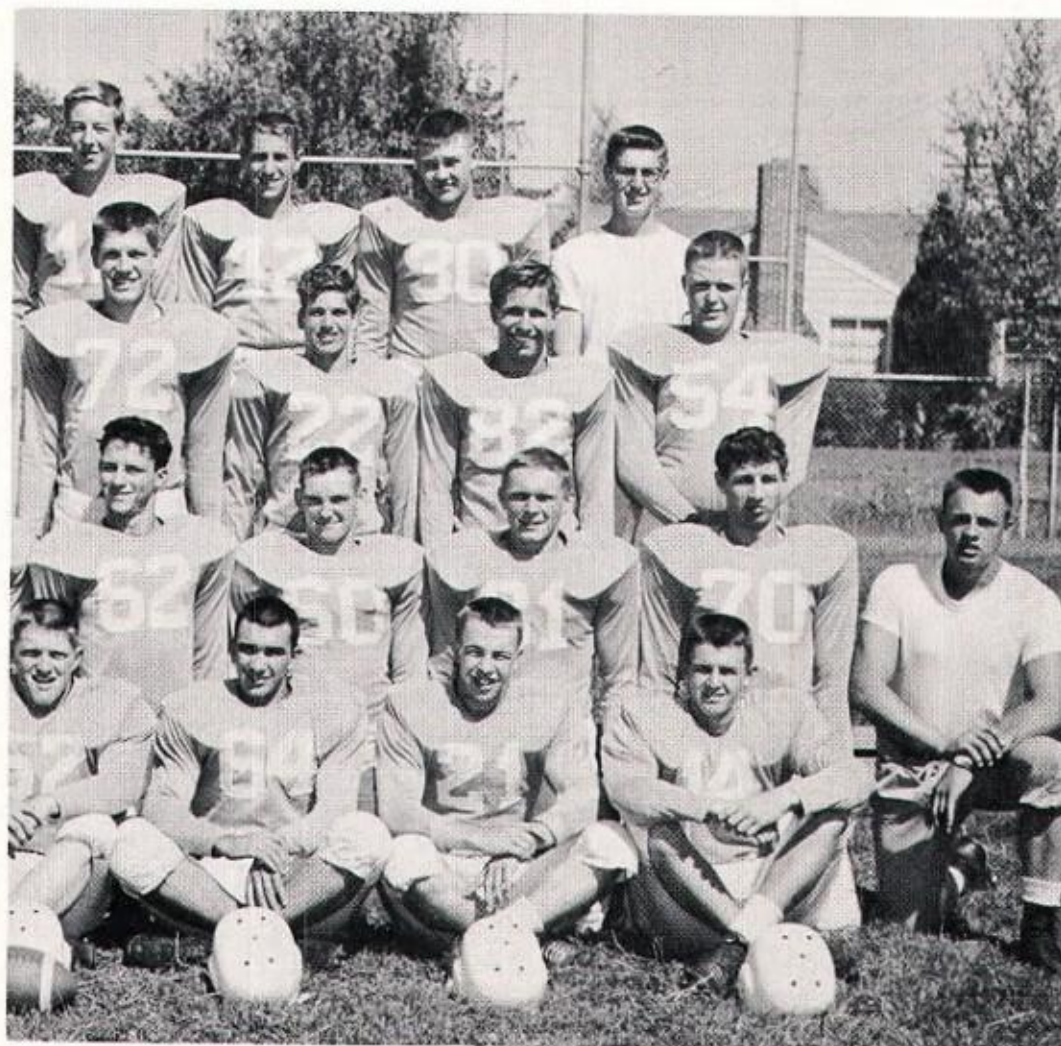

Hilhi, along with Beaverton, will compete in the Valley Coast League (VCL) beginning at the start of the next school year. This will bring to a close an 18-year period of friendly rivalry with our many friends of the other TYV League schools.

The locals, in a pre-season contest, edged Milwaukie 6-0. They went on to win the following six league games.

Hilhi began league play with Newberg, trouncing them 32-0. In rapid succession came Oregon City (19-0), West Linn (26-21), Forest Grove (28-21), Beaverton (12-0), Tigard (53-0), and finally McMinnville edging the Spartans 6-0. In a post-season game Roseburg downed Hilhi 20-19.

AD RUTSCHMAN
Coach

Football

Halfback Eber Harms took second place in personal TYV League scoring with 31 counters.

In league all-star selection the following seniors were on the TYV team: Ralph Perkins, tackle; Owen Goans, guard; Roger Turk, center; Charles Felkins, end. Jack Michael, fullback, and Eber Harms, halfback, received honorable mention.

Assisting Coach Martinson was Ad Rutschman. Managers and game statistician were Gary Horning, Ron Harlow and Ed Fletcher. The three managers and 20 of the athletes qualified for their letter, ending the 1955 football season.

Football

The junior varsity ended another season this year with a record of seven wins and one loss.

JV's held their foes scoreless in the first two games, defeating David Douglas 6-0 and trouncing Newberg 19-0. Hilhi's record of holding their foes scoreless was slightly marred when they met with Oregon City. JV's defeated the Pioneers 50-7.

The Spartan JV's racked up a total of 169 points; they held the opposition scoreless in three games.

Coaches for the junior varsity are Lou McCorkle and Al Davidson.

Next year's varsity football team will be made up of many of the JV players; future seasons look good if they work as hard as they did this year.

Returning to Spartanville to coach the freshmen was Coach Ad Rutschman.

The baby Sparts won six of their seven games. They racked up a total of 112 points during the season.

ROW 1—Marvin Grazer, Larry Anderson, Jerry Guthrie, David Foster, Larry Joos, Richy Baughman.
ROW 2—Coach Rutschman, John Dove, Jerry Scrafford, Caryll Goetze, Bill Sanders, John Silen, Mike Hafner, Coach Samsa.

Varsity Basketball

Hilhi students bid a sad "farewell" to their many friends in the TYV league, as the 1955-56 basketball season came to a final close. Blue and White colors of the mighty Spartans will no more be part of the yearly tradition after seventeen years of competitive spirit and leadership. Our last basketball game was at West Linn.

For the second time in nine years, Coach Lou Samsa's aggressive and inspirational basketball squad failed to journey to Eugene for the state tournament.

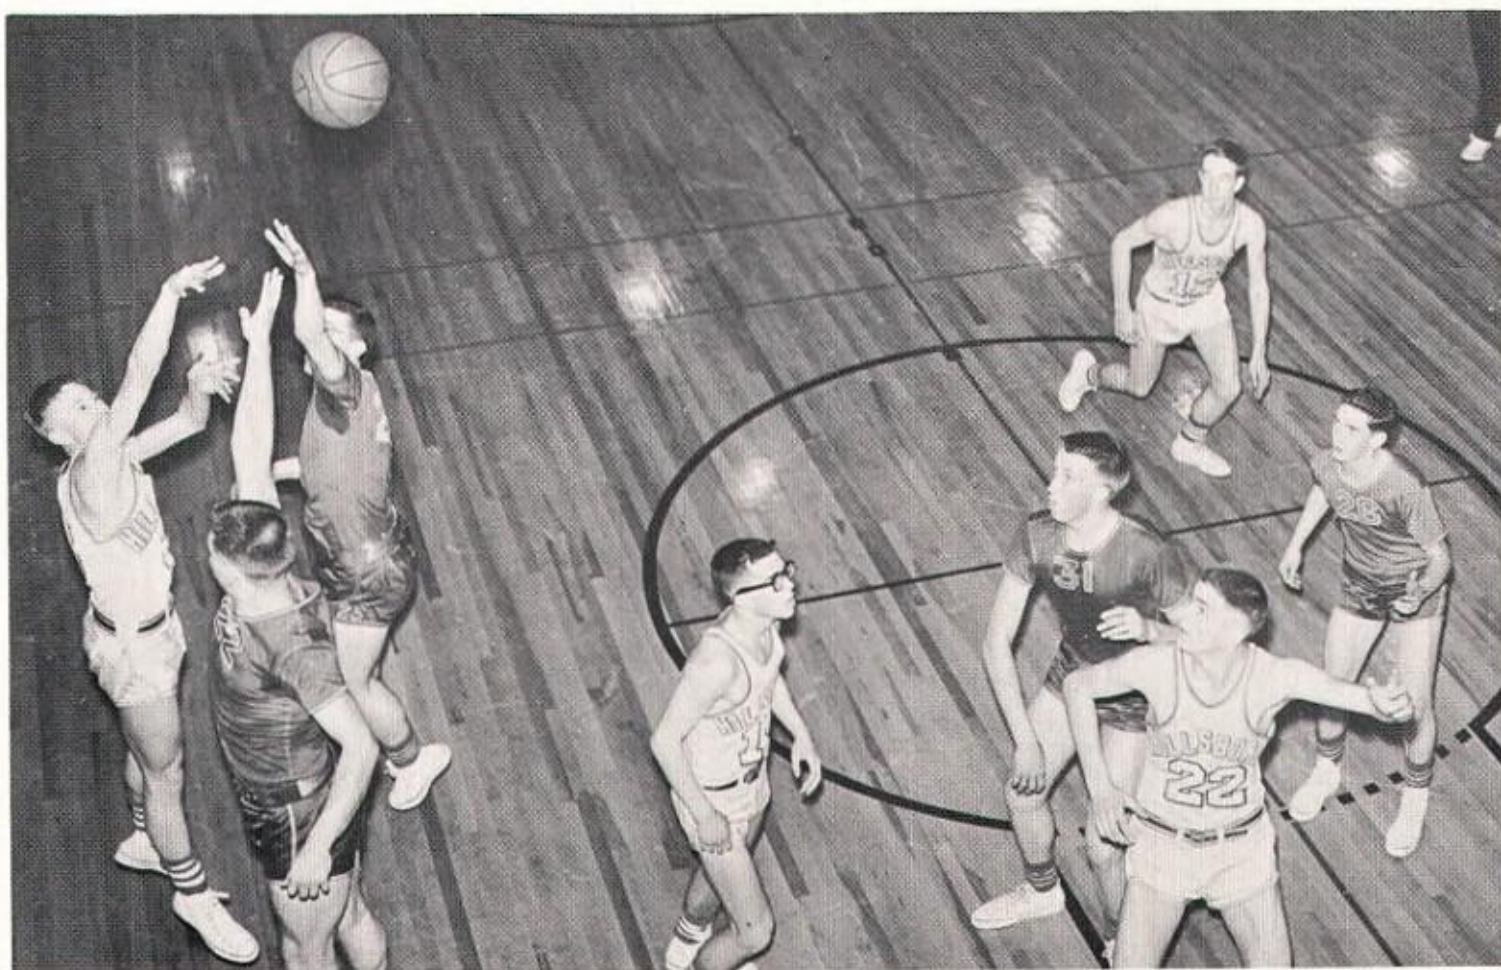

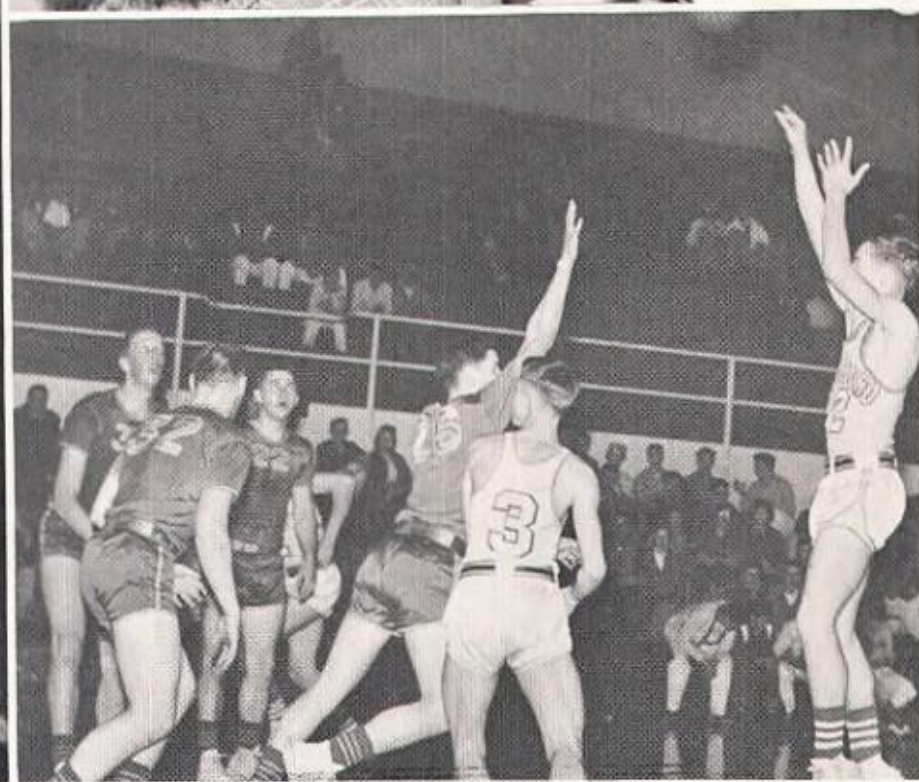

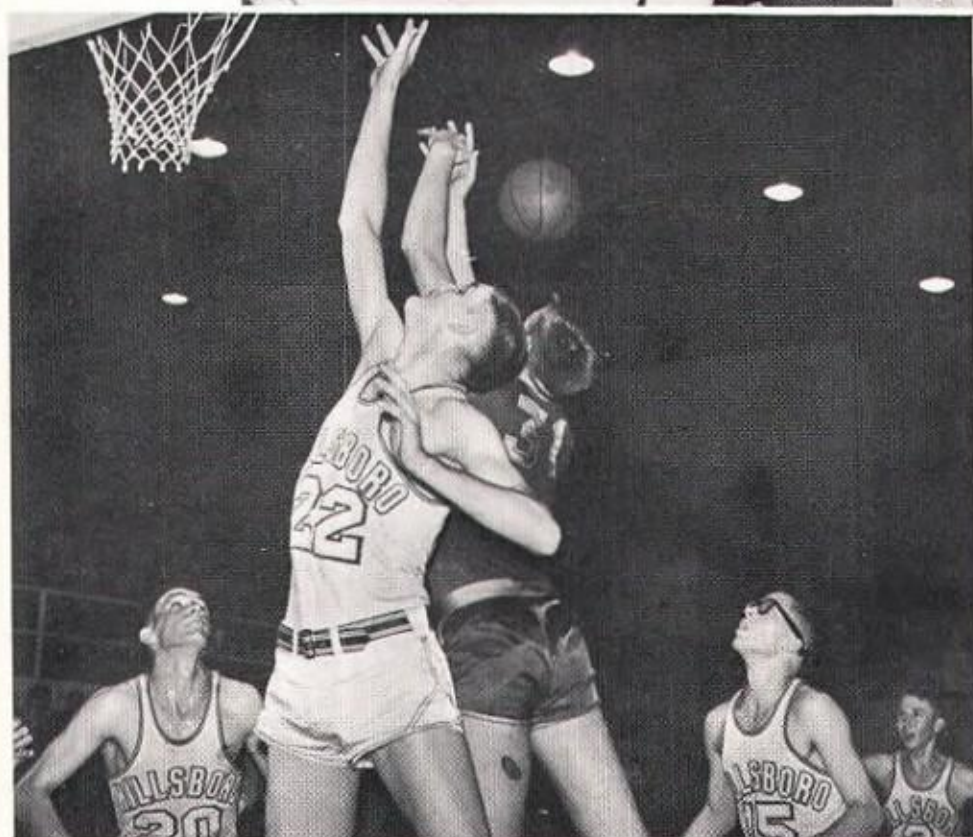

They lost six of their eight pre-seasonal openers. Hilhi basketekers had 141 less points to their opponents 493 total. Spartanville scored 49 points on an average pre-season game, while the opposition collected 64 counters.

Hillsboro had a winning season in TYV league competition breaking above a .500 average. Caryll Goetze led the league in individual scoring going over the 100-point mark in six games.

The Spartans dropped their first opener to McMinnville, but did an about-face spilling Forest Grove and Tigard twice in succession. Beaverton and McMinnville rolled over Hilhi twice to accept the "A" and "B" trophies respectively for the TYV league.

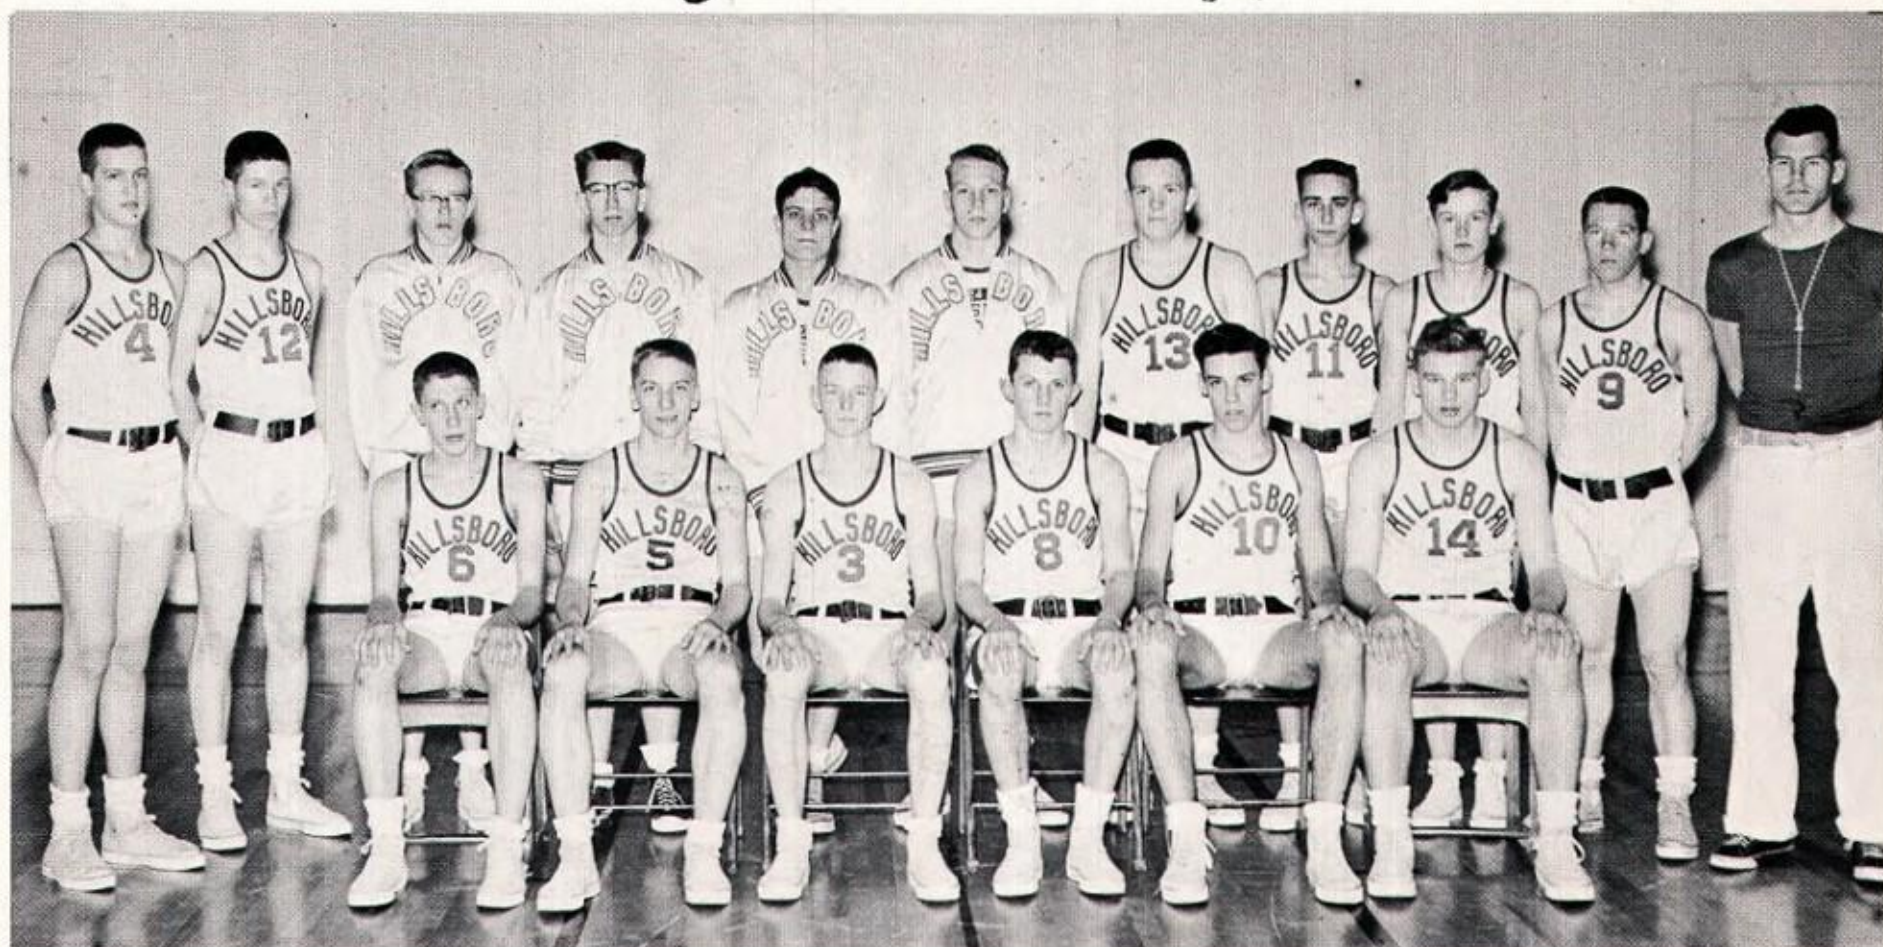

The District Tournament was dispensed with in the league this year. Instead the first two leading teams were automatically selected to make the trip in "A" and "B" ratings.

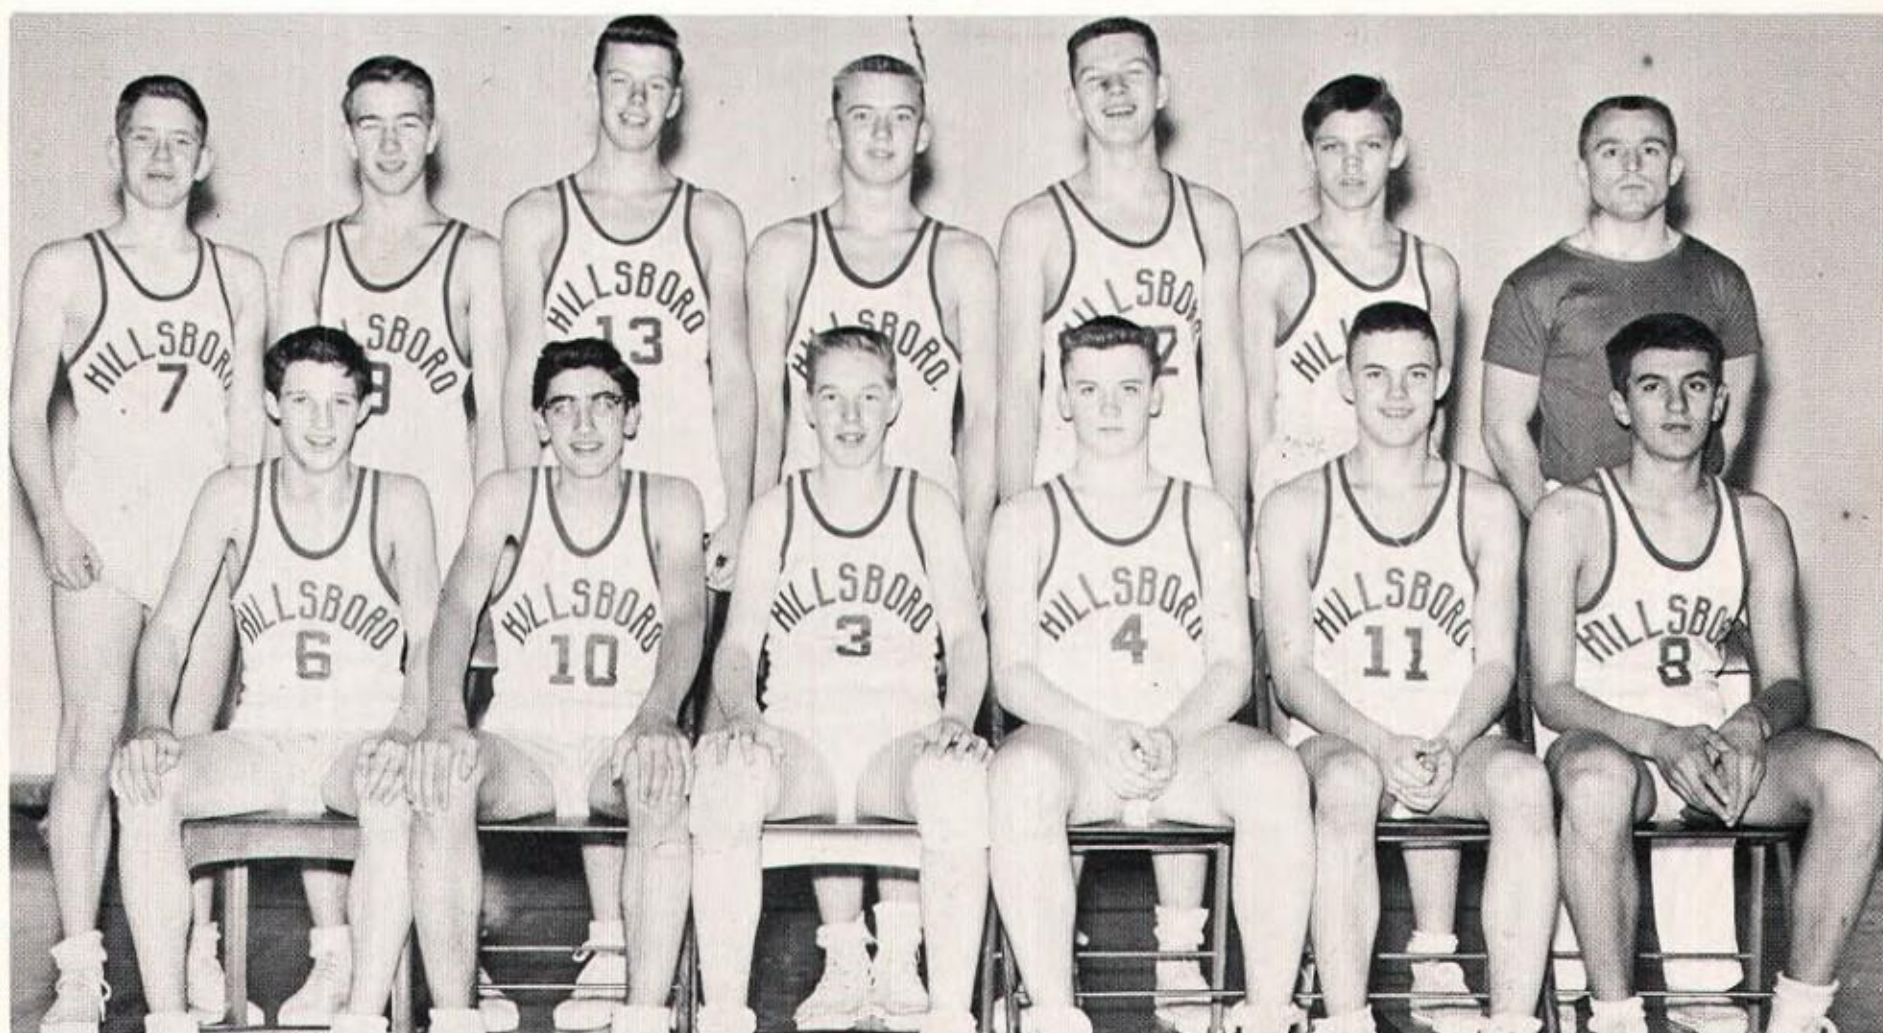

Junior Varsity

ROW 1—Ken Ruud, Dexter Martin, Leo Reynolds, Dick Soule, Phil Haley, Charles Michelson.
ROW 2—George Hulit, John Osmundson, Alvin Gitchell, Bob Jones, Mike Miller, Larry Byerly, Jan Fox, Mickey Caravatta, Charles Brandaw, Warren Speer, Coach Davisson.

Freshmen

ROW 1—Charles Pixler, Gene Hess, Robert Peterson, Winston Bennett, James Regan, LeRoy Wright.
ROW 2—Roger Almquist, Emmett Applebee, Robert Hicks, Ray Radcliff, Bill Nelson, Leonard Jacob, Coach Tarpinning.

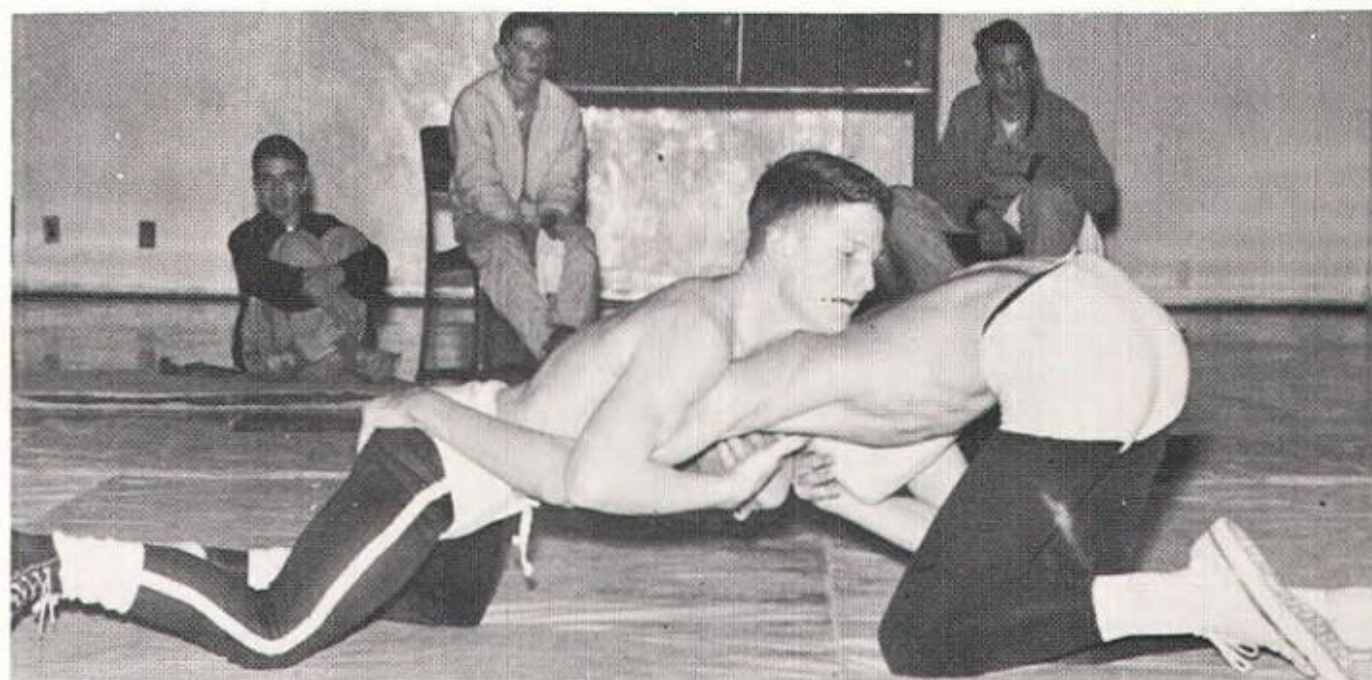

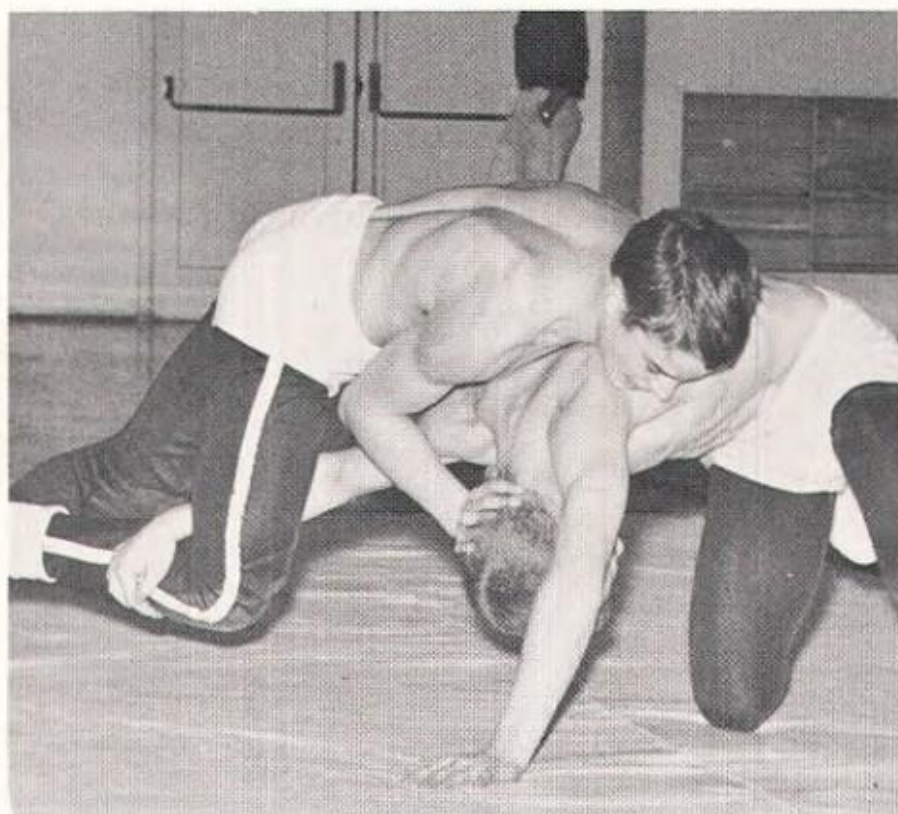

Wrestling

Thus far this season the record of the Spartan Matmen stands at six wins and one loss.

Those who did not make the varsity squad gained valuable experience on the junior varsity squad. With this experience they will form a strong backbone for the squad next year.

One of Coach Martinson's chief objectives this year was having a big crowd in attendance at the wrestling matches. Weather conditions and the Spartan cagers playing away from Hillsboro made it possible for two of the final home contests to boast of fair crowds.

Girls' Sports

Girls this year participated in many sports such as volleyball, basketball, which they learned to referee, and speedball. Winners in volleyball competition were 5, 3, and 2 periods. Girls enjoyed learning many new dance steps, modern and square, in their P. E. classes

Another sport well liked by freshman and sophomore girls was bowling with free instructions given at the Hillsboro bowling alley. Sore muscles resulted from a three weeks' course in tumbling which Miss Paladino instructed. She also taught ping-pong. After playing inside most of the school term, girls enjoyed getting out in the sunshine and fresh air to play baseball which ended this year's sports.
